2022-01-27, 4:44 p.m. - Kelly Cochrane: hello

2022-01-27, 4:44 p.m. - Beth: Awesome! It worked!

2022-01-27, 4:45 p.m. - Kelly Cochrane: ðŸ˜ƒ

2022-01-28, 7:43 a.m. - Kelly Cochrane: morning, i have no cell phones FYI, they did lock them up.

2022-01-28, 7:43 a.m. - Kelly Cochrane: they also have not spot for me here so just rolling with it for now. They wanted to put me in a different room on my own but i've asked to stay here for SA if possible. the City seat they are keeping for traffic

2022-01-28, 7:43 a.m. - Kelly Cochrane: disregard they apologized for locking up our phones, we can have them back haha

2022-01-28, 7:52 a.m. - Beth: Oh my gosh. Sorry this is starting out this way.

2022-01-28, 7:52 a.m. - Beth: You made the right call staying in the main room.

2022-01-28, 7:52 a.m. - Kelly Cochrane: not your fault, they aren't used to us here. I got a desk. Well not a desk but a table they put in the middle of the room haha. Front and centre

2022-01-28, 7:53 a.m. - Kelly Cochrane: i am the only one without a name plate so it will leave people wondering all day hehe

2022-01-28, 7:54 a.m. - Beth: Wow. That is not cool. Is it because they thought I was coming or is it because they just sort of don't see the OEM value?

2022-01-28, 7:55 a.m. - Kelly Cochrane: they didn't think you were coming, they just only assigned one city of ottawa spot and gave it to traffic because they are normally here

2022-01-28, 7:55 a.m. - Beth: Traffic is key!

2022-01-28, 7:55 a.m. - Kelly Cochrane: other services have multiple spots. but they knew. they could have at least made a name plate :)

2022-01-28, 7:55 a.m. - Beth: But, we should get a nameplate.

2022-01-28, 7:55 a.m. - Kelly Cochrane: yes absolutely, i agree I didn't want to take their spot, they need the monitors to work off of

2022-01-28, 7:56 a.m. - Beth: Other services may not send multiple people

2022-01-28, 7:56 a.m. - Beth: Maybe you'll get a proper desk soon.

2022-01-28, 7:56 a.m. - Kelly Cochrane: yeah all good, i have a table now in the room that will work. a little awkward haha but hopefully they sort it out tomorrow

2022-01-28, 7:57 a.m. - Beth: It is progress though. I was told we got rejected the last few times we asked

2022-01-28, 7:57 a.m. - Kelly Cochrane: Exactly!

2022-01-28, 7:57 a.m. - Beth: Anyway, rise above and I know you will be great! ðŸ˜Š

2022-01-28, 7:58 a.m. - Kelly Cochrane: Thanks. Iâ€™m all good. Happy Iâ€™m in the main room so thatâ€™s great

2022-01-28, 8:02 a.m. - Beth: Sorry - last question! Is it just Traffic and Paramedics or others from the City?

2022-01-28, 8:09 a.m. - Kelly Cochrane: I see a spot for Fire but no one here yet

2022-01-28, 8:09 a.m. - Kelly Cochrane: ask as many questions as you want

2022-01-28, 8:09 a.m. - Beth: Thank you!

2022-01-28, 8:09 a.m. - Kelly Cochrane: i am guessing a lot may not have received the update for the earlier time. Not many people here yet

2022-01-28, 8:10 a.m. - Beth: Or.. could not adjust their schedules.

2022-01-28, 8:11 a.m. - Kelly Cochrane: yeah

2022-01-28, 8:38 a.m. - Kelly Cochrane: I just saw Jim Andrews come in

2022-01-28, 8:39 a.m. - Beth: Thanks!

2022-01-28, 9:22 a.m. - Beth: Now I am annoyed. You went on time for nothing.

2022-01-28, 9:22 a.m. - Beth: But the TOH coord was good.

2022-01-28, 9:23 a.m. - Kelly Cochrane: oh don't be annoyed, it is still good to be here. our services are here except traffic

2022-01-28, 5:01 p.m. - Beth: Do we need to send two shifts to the NCRCC?

2022-01-28, 5:01 p.m. - Beth: How late are people staying?

2022-01-28, 5:02 p.m. - Beth: You are doing awesome but worried about your sanity.

2022-01-28, 5:02 p.m. - Kelly Cochrane: I think it is police staying at bare bones. Paramedics are leaving at 16 hours (that is their max). Fire has relief coming now but I am not sure they will be overnight. Doesn't sound like it

2022-01-28, 5:03 p.m. - Kelly Cochrane: I am doing fine really, time is flying by. I think we are okay. I can give the CDO number to the incident commander if there is any urgencies.

2022-01-28, 5:03 p.m. - Beth: OK. So, you will do maybe an early evening departure?

2022-01-28, 5:04 p.m. - Kelly Cochrane: Fire confirmed they will be on call overnight and come back in if required and now paramedics are sending a night superintendent from shift

2022-01-28, 5:04 p.m. - Kelly Cochrane: I do not believe traffic will have anyone but the roads shouldn't be busy. It is more a parliament hill demonstration issue

2022-01-28, 5:05 p.m. - Beth: OK. What is your recommendation? Be like Fire?

2022-01-28, 5:05 p.m. - Kelly Cochrane: yes i'll leave in the evening.

2022-01-28, 5:05 p.m. - Kelly Cochrane: Yes say be like fire. it is peaceful right now

2022-01-28, 5:06 p.m. - Beth: BTW, Kim is downtown. He says there are tons of horns.

2022-01-28, 5:06 p.m. - Kelly Cochrane: we don't want to burn right now as tomorrow night might be really hectic

2022-01-28, 5:07 p.m. - Kelly Cochrane: yes i heard they are making a lot of noise

2022-01-28, 5:07 p.m. - Kelly Cochrane: i think we may want to consider an evening/night shift tomorrow if this gets out of hand

2022-01-28, 5:13 p.m. - Beth: OK- we can line someone up

2022-01-28, 5:14 p.m. - Kelly Cochrane: I just spoke to Ottawa Police and right now they don't plan on being on tonight. They are going to play tomorrow by ear.

2022-01-28, 5:14 p.m. - Kelly Cochrane: If it is peaceful then they expect demonstrators to go back to vehicles/hotels in the evening hours and come back again sunday

2022-01-28, 5:15 p.m. - Beth: Makes sense

2022-01-28, 5:16 p.m. - Kelly Cochrane: I am really fine as long as needed. Plan for me late into the evening tomorrow and I imagine by 13:00 tomorrow we will have a sense of the environment. I am used to doing crazy hours with paramedics. It's nice to get out of the house and around people :)

2022-01-28, 5:17 p.m. - Beth: OK. Just keep in touch on this.

2022-01-28, 7:45 p.m. - Kelly Cochrane: NCRCC starting to wind down. Last convoy arrived. Traffic improving on routes that are not reserved for parking demonstrators. Emergency services reporting improvement in accessing calls. NCRCC EOC Liaison

overnight contingency staff plans made for Saturday night in the event the environment escalates into the evening/night. Thanks for everyone's support

2022-01-28, 7:45 p.m. - Kelly Cochrane: oh haha that was supposed to be the group chat. standby ;)

2022-01-28, 7:49 p.m. - Beth: You did awesome! So proud!

2022-01-28, 7:49 p.m. - Beth: Go home and rest up!

2022-01-28, 7:50 p.m. - Kelly Cochrane: Thank you:). Going to stick for a little longer as just after I sent that we found out the farmers set up tactors on Queen and Elgin causing a big jam. I have updated first responder services here to avoid that area for now

2022-01-28, 7:50 p.m. - Kelly Cochrane: just going to see this issue out.

2022-01-28, 7:51 p.m. - Beth: Agreed

2022-01-29, 7:21 a.m. - Beth: Morning! ðŸ˜Š

2022-01-29, 7:40 a.m. - Kelly Cochrane: morning

2022-01-29, 7:40 a.m. - Kelly Cochrane: so sorry was stealing a desk haha. Ottawa Police gave me one of their stations today

2022-01-29, 7:41 a.m. - Beth: Awesome! Progress.

2022-01-29, 7:44 a.m. - Kelly Cochrane: yes :)

2022-01-29, 10:02 a.m. - Beth: Your request went to Bylaw and they are actioning re cab drivers.

2022-01-29, 10:02 a.m. - Kelly Cochrane: Thank you

2022-01-29, 10:16 a.m. - Beth: I'm worried about one wolf today.

2022-01-29, 10:17 a.m. - Kelly Cochrane: me too

2022-01-29, 10:17 a.m. - Beth: Oops.. supposed to have been "lone" But you got it.

2022-01-29, 10:17 a.m. - Kelly Cochrane: this guy had clearly slung a firearm. Got out of his car. Back in. Drove to 185 Lyon and left

2022-01-29, 10:18 a.m. - Beth: American?

2022-01-29, 10:18 a.m. - Kelly Cochrane: Not that I've been made aware.

2022-01-29, 10:18 a.m. - Beth: Keep me posted if you see signs of the NCRCC escalating. I think Kim wants the City to be in lockstep. We even drafted an email for him to send to Council today, just in case. But! I do think the vast majority of people will be peaceful.

2022-01-29, 10:19 a.m. - Beth: How many cabs do you think they need?

2022-01-29, 10:19 a.m. - Kelly Cochrane: Sent 20 please

2022-01-29, 10:20 a.m. - Kelly Cochrane: yeah i think we may get there

2022-01-29, 10:20 a.m. - Beth: Ok... trying to send 20 cabs via By-law. :) Also, our assumption is that customers will pay their own fares.

2022-01-29, 10:21 a.m. - Kelly Cochrane: yes they will pay for sure

2022-01-29, 10:21 a.m. - Kelly Cochrane: just police trying to facilitate them getting out

2022-01-29, 10:24 a.m. - Kelly Cochrane: entrance from SJAM is from carling. a flow moved out but they expect a high need again in an hour and for the next while forward if they can just be there to pick up.

2022-01-29, 10:25 a.m. - Beth: Coventry connections can send 20 cabs right away or a bus. Any preference?

2022-01-29, 10:26 a.m. - Kelly Cochrane: cabs as it is all different groups

2022-01-29, 10:26 a.m. - Kelly Cochrane: thank you and can you please let them know it will be continuous traffic up SJAM wanting to be shuttled

2022-01-29, 10:27 a.m. - Beth: So... 20 to start but it will probably be back and forth for those 20?

2022-01-29, 10:29 a.m. - Beth: Carling and Booth best location to be dispatched?

2022-01-29, 10:29 a.m. - Kelly Cochrane: Carling at Sir John A

2022-01-29, 10:30 a.m. - Beth: I don't think Carling meets Sir John A?

2022-01-29, 10:31 a.m. - Kelly Cochrane: yes please back and forth. They don't have to dedicate there but making them aware they can pick up demonstrators and there is expected to be multiple "rushes" of them

2022-01-29, 10:31 a.m. - Kelly Cochrane: it meets at lincoln fields area

2022-01-29, 10:31 a.m. - Kelly Cochrane: there is an entrance to Sir John A right on carling

2022-01-29, 10:31 a.m. - Beth: THanks

2022-01-29, 1:10 p.m. - Beth: You can ignore the call.

2022-01-29, 1:13 p.m. - Kelly Cochrane: oh sorry, didn't see it

2022-01-29, 1:13 p.m. - Beth: Ignore it! :)

2022-01-29, 2:25 p.m. - Kelly Cochrane: are you getting my updates on here?

2022-01-29, 2:27 p.m. - Beth: Yup... last one started with....NCRCC update: 6 to 7 thousand estimated on the hill alone.

2022-01-29, 2:31 p.m. - Kelly Cochrane: thanks

2022-01-29, 2:59 p.m. - Beth: Hey there.. You definitely need to let Todd know that he'll be doing some time tonight. When I talked to him this morning, he said he thought he would go but was waiting for confirmation. I think he needs to go though.

2022-01-29, 3:00 p.m. - Kelly Cochrane: he was going to message me when he wakes up. Around 4-5. Yes he needs to come in. this will be late

2022-01-29, 3:00 p.m. - Kelly Cochrane: :)

2022-01-29, 3:00 p.m. - Kelly Cochrane: he will come in for 7/8pm in the event he gets stuck until 7am so it's not more than 12 hours.

2022-01-29, 3:00 p.m. - Beth: That works. Are you ok to be back tomorrow or do you need relief?

2022-01-29, 3:14 p.m. - Kelly Cochrane: oh yes i'm fine to be back

2022-01-29, 3:14 p.m. - Beth: Ok but not Monday right. Knock on wood though! We dpn

2022-01-29, 3:14 p.m. - Beth: We don't want Monday

2022-01-29, 3:16 p.m. - Kelly Cochrane: I can support monday

2022-01-29, 3:16 p.m. - Kelly Cochrane: if needed

2022-01-29, 3:17 p.m. - Beth: Ok

2022-01-29, 7:22 p.m. - Beth: Are you handing over to Todd? If yes, say hi for me.

2022-01-29, 7:22 p.m. - Kelly Cochrane: Yes I am right now. He says hi.

2022-01-29, 7:22 p.m. - Beth: Awesome.

2022-01-30, 8:28 a.m. - Beth: Did Todd leave?

2022-01-30, 8:29 a.m. - Kelly Cochrane: Yes he went home

2022-01-30, 8:29 a.m. - Beth: He never updated the Convoy Chat group. Should we paste his input from Teams in there for him?

2022-01-30, 8:29 a.m. - Kelly Cochrane: He didn't want to wake anyone. I was going to give an update after my sit rep in 5 minutes

2022-01-30, 8:30 a.m. - Beth: Ok... but now it is 8:30 am and those people should be awake. I think we should dump his update from MS Teams in there. ðŸ˜Š

2022-01-30, 8:30 a.m. - Kelly Cochrane: oh the convoy chat, not this one haha. Yeah at this point I can summarize it in 15 minutes or give the whole group an update no the conference call at 9

2022-01-30, 8:31 a.m. - Beth: I think your update might be different though?

2022-01-30, 8:33 a.m. - Beth: Thank you!

2022-01-30, 8:34 a.m. - Kelly Cochrane: no prob

2022-01-30, 12:22 p.m. - Beth: It looks relatively calm on tv.

2022-01-30, 12:23 p.m. - Kelly Cochrane: yes but the group overall has more agitation towards road closures

2022-01-30, 12:23 p.m. - Kelly Cochrane: btw i'm becoming a master at plotting out officers and fleet vehicles on a map hahaha

2022-01-30, 12:23 p.m. - Kelly Cochrane: new skillset

2022-01-30, 12:23 p.m. - Beth: Yeah... I saw your updates in chat. Numbers looks less than 8,000 right now.

2022-01-30, 12:23 p.m. - Beth: That's a useful skillset!

2022-01-30, 12:23 p.m. - Kelly Cochrane: i may have to buy his software traffic uses

2022-01-30, 12:24 p.m. - Kelly Cochrane: yes less than 8,000. most seem to be in the streets

2022-01-30, 4:01 p.m. - Beth: Are you still ok for tomorrow? I feel that you must be exhausted.

2022-01-30, 4:07 p.m. - Kelly Cochrane: I am okay but will be here more around 8:15. Hubby is on day shift and starts at 5am so I just have to drop off the kids at school and daycare on the way. School opens at 7. I think it's fine as things don't seem to be happening here until around 9 and michelle will be here who is the main focus for traffic in the morning

2022-01-30, 4:08 p.m. - Beth: Ok. Just don't want you to burn out.

2022-01-30, 4:08 p.m. - Kelly Cochrane: I'm all good, i have made good connections here that I think are important to keep

2022-01-30, 4:13 p.m. - Beth: That's great. You are a natural.

2022-01-30, 4:37 p.m. - Kelly Cochrane: Thanks boss, sorry for the slow reply, been trying to sort out a fleet/police thing :)

2022-01-30, 5:57 p.m. - Beth: How many on the Hill and downtown right now, do you know?

2022-01-30, 6:16 p.m. - Kelly Cochrane: Sorry answered on the chat. Was rushing to deal with the chaudiere issue before the meeting

2022-01-30, 6:16 p.m. - Beth: all good :)

2022-01-31, 12:21 p.m. - Beth: Hello! Just wanted to share something I got from Kim: "Still in a meeting and the discussion is around moving from "Demonstration" to "Occupation" and what that means. We may have to call an actual EOCCG meeting."

2022-01-31, 12:23 p.m. - Kelly Cochrane: Okay sounds good. There is no real indication that are going to pick up and leave. The core group that is. We see a significant decrease in bystander supporters (those from Ottawa and surrounding area who came Saturday in support). But the convoys haven't had any indication of a max exodus

2022-01-31, 12:24 p.m. - Beth: Yeah. I was hoping they would run out of fuel and food but I guess not.

2022-01-31, 12:25 p.m. - Kelly Cochrane: Yeah. Not sure where they are getting supplies from but a lot of vehicles are parked so they may have sought shelter/hotels

2022-01-31, 12:25 p.m. - Kelly Cochrane: although i hear LRT has not been busy so not sure how they are all getting downtown

2022-01-31, 12:26 p.m. - Beth: From Sam: Fyi 1 of our officers has been involved in a hit and run at the courthouse.

2022-01-31, 12:26 p.m. - Beth: Not sure if it is protest related.

2022-01-31, 12:26 p.m. - Kelly Cochrane: i'll inquire

2022-01-31, 12:27 p.m. - Beth: Sam is heading there now.

2022-01-31, 12:28 p.m. - Kelly Cochrane: so it appears at first sight to not be targetted. Staff Sgt here was reading the briefing note as I asked. He may have been in his personal vehicle on his way home

2022-01-31, 12:28 p.m. - Kelly Cochrane: from the court house

2022-01-31, 12:28 p.m. - Beth: Thanks

2022-01-31, 12:28 p.m. - Kelly Cochrane: it was an off duty officer. not sure if they were in uniform

2022-01-31, 12:29 p.m. - Kelly Cochrane: they were transported to hopsital

2022-01-31, 12:29 p.m. - Kelly Cochrane: melissa may know more

2022-01-31, 12:29 p.m. - Kelly Cochrane: from paramedics

2022-01-31, 12:29 p.m. - Beth: Will check in

2022-01-31, 2:30 p.m. - Kelly Cochrane: Thoughts for Todd Pyper. He hasn't been needed much in the evening. He hasn't had to action anything as of yet. He is asking because he would need to get Steve Box's approval to come

2022-01-31, 2:31 p.m. - Kelly Cochrane: I am fine staying until 10 or so. I came in a bit later

2022-01-31, 2:31 p.m. - Kelly Cochrane: anything that was needed came to traffic and they stay until around midnight or longer if needed but most road closures are fixed now

2022-01-31, 2:54 p.m. - Beth: Ok... I do agree that 24 hours is not needed. But... I think you need shorter shifts. What about 8:00 to 3:00 pm for you... maybe 3:00 to 10:00 for Todd?

2022-01-31, 2:54 p.m. - Beth: Also, can I call you? I need to de-brief you on something confidential

2022-01-31, 3:02 p.m. - Kelly Cochrane: yes call me

2022-01-31, 3:04 p.m. - Beth: What is best Teams, phone?

2022-01-31, 3:04 p.m. - Kelly Cochrane: just call my cell 613-668-6660

2022-01-31, 3:04 p.m. - Beth: It went to message :)

2022-01-31, 4:10 p.m. - Kelly Cochrane: CBC news displaying fire chief sloly as he speaks

2022-01-31, 4:11 p.m. - Kelly Cochrane: Not GM

2022-01-31, 4:11 p.m. - Kelly Cochrane: IMG-20220131-WA0001.jpg (file attached)

2022-01-31, 4:12 p.m. - Beth: That is unfortunate.

2022-01-31, 4:12 p.m. - Kelly Cochrane: Yeah

2022-01-31, 4:12 p.m. - Beth: Especially as it doesn't make sense for Fire to be leading....

2022-01-31, 4:13 p.m. - Kelly Cochrane: Thatâ€™s exactly my point. They have it wrong.

The point he is getting across comes from his position now

2022-01-31, 4:13 p.m. - Beth: Exactly. I'll flag to PIMR for correction for next time. And yes, there will be a next time.

2022-01-31, 4:13 p.m. - Kelly Cochrane: Thanks and yes Iâ€™m sure there will

2022-01-31, 4:16 p.m. - Beth: PIMR is contacting CBC. Thanks for flagging.

2022-01-31, 4:26 p.m. - Kelly Cochrane: Thanks. And I just got kicked out of my desk. Back to the middle table. Boo

2022-01-31, 4:26 p.m. - Beth: Boo! That's crappy.

2022-01-31, 4:42 p.m. - Kelly Cochrane: Yeah

2022-01-31, 7:31 p.m. - Kelly Cochrane: it's very quiet here right now. I'll listen to the 8pm sit rep and then leave if it stays quiet. This is their last sit rep for the day

2022-01-31, 7:35 p.m. - Beth: Fingers crossed that works out. BTW, so proud of you. We could not have sent a better rep!

2022-01-31, 7:40 p.m. - Kelly Cochrane: aww thank you :) It means a lot that you had confidence in me to send me here and that you aren't disappointed :). I think it's been working well. A police officer gave me a challenge coin today to thank me. meant a lot

2022-01-31, 7:41 p.m. - Beth: I knew you were the only person who could truly own that role. But shhh... maybe don't share that. :)

2022-01-31, 7:44 p.m. - Kelly Cochrane: hehe i wouldn't. Thanks boss :)

2022-02-01, 8:48 a.m. - Kelly Cochrane: Morning, heads up from our other city partners here. Specifically OC and transit. They are moving to one 10 hour shift only gonig forward

2022-02-01, 8:48 a.m. - Kelly Cochrane: going

2022-02-01, 8:49 a.m. - Beth: Can you do that or do you need relief? I am trying to be optimistic. I mean, today marks the Lunar New Year so I'm hopeful. :)

2022-02-01, 8:49 a.m. - Kelly Cochrane: yes I def can do this.

2022-02-01, 8:50 a.m. - Kelly Cochrane: oh it does? I am optimistic as well :)

2022-02-01, 11:50 a.m. - Beth: Boo farm vehicles. :(

2022-02-01, 11:51 a.m. - Kelly Cochrane: I know, hopefully the incoming weather will detour them or if the protest really dies down, they won't feel inclined to come

2022-02-01, 11:52 a.m. - Beth: Perfect. I am closing the loop with Paola and Melissa. They had wanted two shifts in the NCRCC but I told them that you could do the one shift for 10 hours (and maybe even less, if a good day happens).

2022-02-01, 11:52 a.m. - Kelly Cochrane: yes that works.

2022-02-01, 11:53 a.m. - Beth: Thank you for your service!!!!

2022-02-01, 11:53 a.m. - Kelly Cochrane: they all have my number here too if anything was to happen while i was gone. I keep my phone ringer on at night right now just incase but no calls have come in as of yet

2022-02-01, 11:53 a.m. - Kelly Cochrane: Anytime, happy to help :)

2022-02-01, 11:54 a.m. - Kelly Cochrane: BTW PPS asked again about toilets today now that crowds are small due to the amount of people going the washroom on PH. I advised him of our stance on toilets but their decision on PH property is up to them. He agreed they would take the same unified stance as us and was very happy with that

2022-02-01, 11:55 a.m. - Beth: Ok... I mean they were a bit late to that show, frankly. Glad you sorted them out. Super weird on their part. I guess now they have to clean up. Yuck.

2022-02-01, 11:56 a.m. - Kelly Cochrane: yeah they were late but they also don't

normally provide them for demonstrations, they just had so many people going the washroom on the hill that was obviously upsetting for their property. The clean up won't be fun. Like having a dog and cleaning up the mess in the back yard when the snow melts. gross

2022-02-01, 11:57 a.m. - Beth: I know. They were actually correct in not setting them up but now they have some consequences.

2022-02-01, 12:02 p.m. - Kelly Cochrane: exactly

2022-02-01, 12:03 p.m. - Kelly Cochrane: but so do we, they are also defecating in our streets and residents back yards :(. Sometimes I don't like people

2022-02-01, 12:04 p.m. - Beth: Yeah. I foresee a lot of outcomes from this event. The City and OPS will be responding to queries for many months to come but on a positive note, I'm hoping we can advocate for more money for public order and public safety resources, etc.

2022-02-01, 12:05 p.m. - Kelly Cochrane: yes that is hopefully a positive outcome. Maybe a new OEM position hehe. selfishly

2022-02-01, 12:05 p.m. - Beth: I told Kim already I need two OEM teams. On it. I got your back. :)

2022-02-01, 12:06 p.m. - Kelly Cochrane: you're the best!

2022-02-01, 12:59 p.m. - Kelly Cochrane: Do you have a minute for a call?

2022-02-01, 12:59 p.m. - Beth: Yes but last time your cell was super choppy

2022-02-01, 1:00 p.m. - Kelly Cochrane: I'll call you i teams. Just finding a private room

2022-02-01, 1:35 p.m. - Kelly Cochrane: inspector lucas is in a meeting and still waiting on him but I have been told that it was approved to keep the footprint in event Saturday gets busier....grrr. I am still hoping to hear directly from him and voice our concerns

2022-02-01, 1:36 p.m. - Beth: Ok. Thanks for the update. And grrr re Saturday.

2022-02-01, 1:46 p.m. - Kelly Cochrane: FYI Kyle asked me to take the CDO phone. I'll pick it up tonight on my way home. Apologies, I should have grabbed it earlier from him

2022-02-01, 1:47 p.m. - Beth: You can't do CDO this week. Let me talk to Paola.

2022-02-01, 1:49 p.m. - Kelly Cochrane: okay he just messaged me asking when i was going to take the phone from him and if i can pick it up tonight or tomorrow morning

2022-02-01, 1:53 p.m. - Kelly Cochrane: No budge on the footprint with the inspector. his comments are that no plan to reduce footprint before the weekend. "If we give them space they will take it" I voiced the City's concerns with accessibility issues, etc. He understood but they don't plan to give up ground before the weekend, even if vehicles leave :(

2022-02-01, 1:54 p.m. - Kelly Cochrane: sorry boss, i tried

2022-02-01, 2:00 p.m. - Beth: Ok for CDO, please put a pause on that. I told Paola someone else has to cover this week, partly because your phone is not good re reception in there.

2022-02-01, 2:00 p.m. - Beth: Partly because your job has to be Convoy.

2022-02-01, 2:01 p.m. - Beth: In terms of perimeter. I am worried but I think that the City and Police can work up a comms strategy around public safety. I just worry residents will freak out if they don't see tangible progress.

2022-02-01, 2:05 p.m. - Kelly Cochrane: okay thank you and yes the comms strategy will need to be tactful

2022-02-01, 2:06 p.m. - Beth: Someone else will do CDO this week. Please stand down on that. You need to focus on trucks and keeping the big bosses in the loop. :) Paola and Melissa are reaching out to Kyle.

2022-02-01, 2:06 p.m. - Kelly Cochrane: Thanks, Appreciate it

2022-02-01, 2:18 p.m. - Beth: Paola is taking CDO. You might owe her a beverage after this is done. And it will be done. Those trucks are leaving!

2022-02-01, 2:21 p.m. - Kelly Cochrane: Oh yes. I def owe her. Thank you!!

2022-02-01, 2:22 p.m. - Kelly Cochrane: Iâ€™ll grab her week of CDO when Iâ€™m done this

2022-02-02, 10:17 a.m. - Beth: Hey you -- as part of our staffing for this, I'm being told you need a couple of days of relief. Would you be ok if Todd covered tomorrow and Friday? So, two days off?

2022-02-02, 10:18 a.m. - Kelly Cochrane: sure, whatever works. One day off is more than enough but whatever you're being told I will obey :)

2022-02-02, 10:18 a.m. - Beth: Ok. Will close the loop soon.

2022-02-02, 10:18 a.m. - Kelly Cochrane: :) thanks boss.

2022-02-02, 10:19 a.m. - Kelly Cochrane: I feel very refreshed today. hubby was home so I didn't have to drop off the kids. I took a bit more time today and spent it with them and feel just great and re-energized

2022-02-02, 10:23 a.m. - Beth: That's awesome. I don't know how you manage but you are a super star.

2022-02-02, 10:29 a.m. - Kelly Cochrane: Thanks boss but this is where I thrive. Being busy and working collaboratively with agencies. I really enjoy this stuff. Tomorrow will be nice to see the family as my son asked me if I could play "hookie today" haha. but i am ready to go as much as needed. We are a first responder family, we understand these things come in spurts and we need to step up but I really don't need more than a day.

2022-02-02, 10:31 a.m. - Beth: Love your attitude. I wish everyone knew that this is where the City has to step up. We can relax later. :)

2022-02-02, 10:32 a.m. - Kelly Cochrane: exactly :)

2022-02-02, 10:37 a.m. - Beth: I got to join Kim at City Hall this afternoon. What's the best route from Westboro? Somerset to Elgin? :) NO rush on this, not important work.

2022-02-02, 10:53 a.m. - Kelly Cochrane: yes elgin is open all the way to city hall

2022-02-02, 10:53 a.m. - Kelly Cochrane: you are welcome to come here too, i think a few brass are showing up today

2022-02-02, 10:54 a.m. - Kelly Cochrane: you can even take highway to elgin. no convoys on the highways right now (not sure where you are coming from)

2022-02-02, 10:59 a.m. - Beth: Thanks. I actually have been requested by Kim to sit with him in the boardroom near his office for the Councillor briefing. We both think all the questions will be going to Chief Sloly but he wants me there in case the EOC comes up. Thank you for the invite though. :)

2022-02-02, 11:00 a.m. - Kelly Cochrane: yeah it will be an interesting meeting

2022-02-02, 11:00 a.m. - Kelly Cochrane: good luck!

2022-02-02, 11:18 a.m. - Kelly Cochrane: NCRCC update: small counter protest (10-12 people) at Metcalf and Wellington. Increased online chatter about other convoys planning to attend Ottawa over the weekend as well as the counter protest of 1000+ individuals for Saturday. Little to no one actually on Parliament Hill right now. No other major incidents or intel to report

2022-02-02, 11:29 a.m. - Beth: Did you post this in the wrong chat or was that just for me?

2022-02-02, 11:31 a.m. - Kelly Cochrane: ugh, man sorry again, I don't know why it keeps clicking off

2022-02-02, 1:23 p.m. - Kelly Cochrane: I know you're busy and there is no urgency or

need to reply. This is SA. Really struggling with any request to Nicole. She makes it a long issue and calls a few times for each request to discuss it further. Right now she just asked to give my contact to NCC to "cut out the middle man on operational issues". I think she maybe needs clarity in her role but for now I have the capacity because on some issues I need a quicker answer that she can't provide

2022-02-02, 1:28 p.m. - Beth: yeah.... she's calling me too...

2022-02-02, 1:34 p.m. - Kelly Cochrane: Brutal

2022-02-02, 1:36 p.m. - Beth: She's trying to work out a process. I told her that she needs to pro-actively talk to NCC and to facilitate to reduce burden on Police and to make stuff move faster.

2022-02-02, 1:36 p.m. - Beth: I'm going to lose my mind.

2022-02-02, 1:38 p.m. - Kelly Cochrane: yeah i think she is causing a lot of people more stress than not, sorry about that

2022-02-02, 3:05 p.m. - Kelly Cochrane: I know you're busy, no need to reply now. They just notified that someone at NCRCC tested positive today. Their last day here was Sunday, therefore not in the last 48 hours. No one here is considered a close contact, however they are doing volunteer RATs. Honestly I get the abundance of caution, however, they are bound to find an asymptomatic positive when testing a group. Want me notify Todd? again, no one is a high risk contact. I'm not worried as I just had covid so I am good for 3 months :)

2022-02-02, 3:08 p.m. - Beth: Hm. You can give Todd a heads up but really, under the definition, a high-risk contact is someone who *lives* in the same household. Unless there are couples in the NCRCC, no one would qualify.

2022-02-02, 3:08 p.m. - Beth: no harm telling Todd though

2022-02-02, 3:09 p.m. - Kelly Cochrane: yeah i think they are opening up a can of worms by testing people. For example if I still test positive for a month or two after. If I was asymptomatic and they tested me and I didn't know I had covid and I came back positive, then everyone here is a contact when I am not contagious

2022-02-02, 3:09 p.m. - Kelly Cochrane: it's a bad idea. they are going to find more asymptomatic peopel

2022-02-02, 3:10 p.m. - Beth: They should stick to the provincial guidelines. Under them, NCRCC would not qualify for RAT.

2022-02-02, 3:11 p.m. - Kelly Cochrane: yup

2022-02-02, 3:58 p.m. - Beth: Oh my gosh.... she wants to meet again about NCC.

2022-02-02, 3:58 p.m. - Kelly Cochrane: yup she just ended a meeting with me, please call me first

2022-02-02, 3:58 p.m. - Kelly Cochrane: before you meet with her

2022-02-02, 3:59 p.m. - Beth: Ok. Still in the room with Kim. He did well with Bylaw question.

2022-02-02, 3:59 p.m. - Kelly Cochrane: no rush, just before you talk to her

2022-02-02, 3:59 p.m. - Kelly Cochrane: yes he did :)

2022-02-04, 9:38 p.m. - Beth: I looped in Keenan

2022-02-04, 9:40 p.m. - Kelly Cochrane: Thanks, I expect we will get an ask :)

2022-02-04, 9:41 p.m. - Kelly Cochrane: I'll keep you updated

2022-02-05, 6:41 a.m. - Kelly Cochrane: Morning boss. So ops will not be making a staging area request. Sigh. See reply below.

2022-02-05, 6:41 a.m. - Kelly Cochrane: â€œThis may seem contrary to what was announced on the media scrum by the executive, but we confirmed with the Event Commander Supt Jamie Dunlop that there are no other staging sites organized by OPS (with the exception of the Jetform Park location) which is being considered.â€

2022-02-05, 6:43 a.m. - Beth: Oh dear. So it's SJAM.

2022-02-05, 6:44 a.m. - Kelly Cochrane: I can speak to Insp Lucas today as that was from the night insp who hasn't been here much. I'll speak to Russ and Inquire on his overflow plans

2022-02-05, 6:45 a.m. - Beth: OK. Just worried we'll get an emergency request later this morning or early afternoon

2022-02-05, 6:45 a.m. - Kelly Cochrane: Yeah looks like they are not really having a backup plan to reduce city impacts

2022-02-05, 6:45 a.m. - Beth: Yeah...there is a trend in lack of plans ðŸ˜Š

2022-02-05, 6:45 a.m. - Kelly Cochrane: Yes for sure we will. I'm a bit at a loss for their strategy if I can be honest.

2022-02-05, 6:46 a.m. - Beth: We think alike

2022-02-05, 6:46 a.m. - Kelly Cochrane: :)

2022-02-05, 6:47 a.m. - Kelly Cochrane: It has been quite the event to watch unfold here. Very reactive decision making. Disappointing a week into this

2022-02-05, 6:47 a.m. - Beth: But you have been a shining star!

2022-02-05, 6:48 a.m. - Kelly Cochrane: Thanks boss ðŸ˜Š

2022-02-05, 7:52 a.m. - Kelly Cochrane: morning. so i'm getting an "ask" for a staging location now ðŸ˜ƒ

2022-02-05, 7:52 a.m. - Kelly Cochrane: I have it in an email. yay

2022-02-05, 7:53 a.m. - Beth: Woo-hoo. You have to go to the PSPC rep in the NCRCC, once you get it!

2022-02-05, 7:55 a.m. - Kelly Cochrane: already did,

2022-02-05, 7:55 a.m. - Kelly Cochrane: i copied you on the email so you had it but I went over and spoke to him

2022-02-05, 8:41 a.m. - Beth: Awesome that those two sites are confirmed! ðŸ˜Š

2022-02-05, 8:44 a.m. - Kelly Cochrane: Do you have that contact I can reach out to for cabs to come on SJAM? We can alert when they start stacking up there but I would anticipate as early as 10am and for most of the day that they can be picking up fares from there. Police will let them in the emergency lane so it is more just telling them to keep going back to that site. 1500 Bronson will also be a site if we end up stacking there

2022-02-05, 8:45 a.m. - Beth: You know the contact! It's our lovely friend Tania McCumber from By-law (Dan B's partner).

2022-02-05, 8:45 a.m. - Kelly Cochrane: yes they want to use confederation heights first then 1500 Bronson (PSPC)

2022-02-05, 8:45 a.m. - Kelly Cochrane: trying to figure out the best route to get trucks there if needed as bronson on the highway ramp is closed

2022-02-05, 8:46 a.m. - Kelly Cochrane: oh perfect. I'll reach out. thank you

2022-02-05, 8:46 a.m. - Beth: Awesome

2022-02-05, 10:38 a.m. - Kelly Cochrane: Ottawa police tweeted about the go fund me being cancelled which aggravated the group and the chief has mandated night shift stay on until noon so it's not a good environment FYI between us.

2022-02-05, 10:40 a.m. - Beth: Oh dear. Also... how did those tractors park on Albert? Did not want to ask in front of others but shouldn't that have been avoided overnight?

2022-02-05, 10:43 a.m. - Kelly Cochrane: yuppers, they rolled in overnight and were ignored :(It should have been avoided for sure

2022-02-05, 10:54 a.m. - Beth: I think our management chain is losing their minds right

now.

2022-02-05, 10:56 a.m. - Kelly Cochrane: I can only imagine. :(I can't believe how much I have had to help them with traffic plans today. It's crazy this wasn't sorted in advance. I know the officers here in the NCRCC are working hard but the whole thing has me shaking my head. we are a week in. I also believe that a lot of officers are no longer coming in. They are not being treated well and are tapped out

2022-02-05, 10:57 a.m. - Beth: I kind of wondered why you had to be the one to remind them of the cabs etc. It's like we're not learning from last weekend.

2022-02-05, 10:58 a.m. - Kelly Cochrane: fully agree.

2022-02-05, 11:13 a.m. - Kelly Cochrane: Update: Groups not cooperating with police in terms of taking designated routes to staging/parking locations. 2 males on horseback trying to access Parliament Hill. Increase in gas canisters and propane tanks observed in the downtown core.

2022-02-05, 11:18 a.m. - Kelly Cochrane: There are WAY more brass in here today from OPS

2022-02-05, 11:20 a.m. - Beth: Yeah.. that's why I'm not asking to visit. I have worked in so many Ops Centres, including in Afghanistan. Those tours by brass used to annoy us. ðŸ˜~,

2022-02-05, 11:20 a.m. - Beth: I refuse to be one of them.

2022-02-05, 11:21 a.m. - Kelly Cochrane: yeah fair enough. I've been asked a few times who the director for us is. In a good way. They are glad we are here. We haven't been annoyed by brass here over the week because it was more manageable but today OPS are taking up half the desks in this place

2022-02-05, 11:22 a.m. - Beth: I mean, I'm happy to visit this week... but not in the middle of the busiest day! If the brass are there to direct, it's ok (and good). If they are there to watch, less so.

2022-02-05, 11:28 a.m. - Kelly Cochrane: Yes I agree today isn't ideal. I think there is a combination of getting involved and seeing what's going on. There are a lot of cooks in the kitchen right now

2022-02-05, 11:29 a.m. - Beth: Hey -- people are sending me more videos from last night. Not good. And tonight will be worse. Keep caffeinated! And, let me know when Todd needs to take a day. Maybe Monday? Or tomorrow?

2022-02-05, 11:42 a.m. - Kelly Cochrane: yeah monday works! I'm good for today and tomorrow.

2022-02-05, 12:23 p.m. - Beth: Can you talk to the CAF rep in the NCRCC?

2022-02-05, 12:23 p.m. - Beth: RE drill hall

2022-02-05, 12:24 p.m. - Kelly Cochrane: there isn't one here

2022-02-05, 12:25 p.m. - Kelly Cochrane: guess they weren't invited to the party

2022-02-05, 12:25 p.m. - Beth: What the? Do you want me to reach out to the GOC?

2022-02-05, 12:26 p.m. - Beth: Actually, let me call Maia. This came up before and province was involved.

2022-02-05, 12:26 p.m. - Kelly Cochrane: thanks

2022-02-05, 12:30 p.m. - Beth: Ok. Maia is confirming how to reach out. Can you send me the ask in writing so that there is no confusion. Can be in chat.

2022-02-05, 12:33 p.m. - Kelly Cochrane: Thanks will do

2022-02-05, 1:03 p.m. - Kelly Cochrane: we are going to lose all downtown. I suspected this. They are just pushing behind the footprint closures creating a bigger footprint

2022-02-05, 1:03 p.m. - Beth: Yeah. I'm watching aerial views of Parliament Hill too. Big crowd already and only growing.

2022-02-05, 1:04 p.m. - Kelly Cochrane: yeah and it's amped up.

2022-02-05, 1:04 p.m. - Beth: I do not like the Trump 2024 flag. Just shows the protests are for the sake of causing trouble. No longer any cause....

2022-02-05, 1:05 p.m. - Kelly Cochrane: absolutely

2022-02-05, 1:10 p.m. - Beth: BTW, Todd is good to cover for you on Monday.

2022-02-05, 1:25 p.m. - Kelly Cochrane: thank you :)

2022-02-05, 1:26 p.m. - Beth: OMG - still waiting to hear back from the GOC.

2022-02-05, 1:26 p.m. - Kelly Cochrane: FYI we have had a pickup try to try to slowly make it's way through the crowd and vehicle/tractors on the sidewalk. Someone is going to get hit

2022-02-05, 1:26 p.m. - Beth: Any chance there is progress with the military through other channels?

2022-02-05, 1:26 p.m. - Beth: Yikes. I am so worried about injuries today.

2022-02-05, 1:26 p.m. - Kelly Cochrane: I'll work on military here. see where we can get.

2022-02-05, 1:27 p.m. - Beth: Ok. Might as well reach out all over.

2022-02-05, 1:32 p.m. - Kelly Cochrane: do you have a second to takl?

2022-02-05, 1:32 p.m. - Kelly Cochrane: takl

2022-02-05, 1:32 p.m. - Beth: yup

2022-02-05, 2:08 p.m. - Beth: We've already lost the City.

2022-02-05, 2:11 p.m. - Kelly Cochrane: sure have.

2022-02-05, 3:16 p.m. - Kelly Cochrane: BTW I can't believe I didn't comment on the picture from the MPs earlier about the "barriers under the snow". haha well played Military police. plausible deniability that they put them there. NCC didn't burry them and we didn't put them there. haha

2022-02-05, 3:17 p.m. - Beth: Yeah... I was wondering about that too. So, supporting but like, secretly.

2022-02-05, 3:17 p.m. - Kelly Cochrane: exactly.

2022-02-05, 3:18 p.m. - Kelly Cochrane: NCC said they couldn't do it until tonight and why would they take the effort to bury them. haha.

2022-02-05, 3:18 p.m. - Beth: Hey... I appreciate their tactics.

2022-02-05, 3:19 p.m. - Kelly Cochrane: exactly

2022-02-05, 3:52 p.m. - Kelly Cochrane: they had no proactive plan and not really a reactive plan either

2022-02-05, 3:53 p.m. - Beth: Yeah. Thanks for all your help today. Wow. You are busy.

2022-02-05, 3:54 p.m. - Kelly Cochrane: no worries, happy to help and we are all busy. all good.

2022-02-05, 3:54 p.m. - Kelly Cochrane: FYI just flagging a concern from Sam Roberts from Bruyer to Melissa of a demonstrator parked in their lot. Trying to get regular patrol to attend as it is a healthcare facility

2022-02-05, 3:54 p.m. - Beth: I'm getting really annoyed at all the fuel going to the downtown core. That is not how you cut off supply Grrr.

2022-02-05, 3:54 p.m. - Beth: Thanks for sharing re Bruyere.

2022-02-05, 3:55 p.m. - Kelly Cochrane: yeah police aren't proactive either, that's for sure. not even really reactive haha. more dormant ðŸ˜€

2022-02-05, 3:56 p.m. - Beth: Yup.

2022-02-05, 8:12 p.m. - Kelly Cochrane: I hope you're holding up okay boss

2022-02-05, 8:13 p.m. - Beth: I am tired but you guys do the hard work. ðŸ™ƒ

2022-02-05, 8:15 p.m. - Kelly Cochrane: disagree. I couldn't do what you do. I hope you can get some rest tonight

2022-02-05, 8:43 p.m. - Beth: Hope you left....

2022-02-05, 8:53 p.m. - Kelly Cochrane: walking out now. was just waiting to get those jerseys done.

2022-02-05, 8:55 p.m. - Kelly Cochrane: I donâ€™t know how these people protest in this weather. Way too cold

2022-02-05, 9:53 p.m. - Kelly Cochrane: Just a thought for tomorrow. Starting to get concerned about them moving this confederation park group to Bronson. Do you think this group is willing to go in order to essentially spread the seed to another location in the city.

2022-02-06, 8:26 a.m. - Kelly Cochrane: morning boss. the environment feels deflated here by OPS. I'm glad we ordered fencing yesterday for confed park but it just shows how much the demonstrators are in control when that shack was moved right back

2022-02-06, 8:29 a.m. - Beth: Good morning. Hope you are not too exhausted. I didn't want to post in the other chat but my main question was.... why wasn't this area being watched last night and overnight? The risk was high of this happening. Why did we let it? ðŸ™ƒ

2022-02-06, 8:29 a.m. - Beth: And by "we" I mean OPS.

2022-02-06, 8:30 a.m. - Kelly Cochrane: i wish i had an answer to this. Same situation as the trucks parking across albert last night. The guard is absolutely down.

2022-02-06, 8:30 a.m. - Beth: Ok. I hope you don't feel deflated. You are still a rock star (but OPS is not).

2022-02-06, 8:31 a.m. - Beth: No offence to hubby ðŸ™ƒ

2022-02-06, 8:31 a.m. - Kelly Cochrane: haha he doesn't take offense, he is embarrassed by this fully. I don't feel deflated. I can only support the police operation the best we can :)

2022-02-06, 8:32 a.m. - Beth: Keep us posted if you hear of any plan for tomorrow that looks different than what we have seen to date. I doubt this, but hey, got to stay positive.

2022-02-06, 8:34 a.m. - Kelly Cochrane: yeah plans seem to be a mystical creature here ðŸ™ƒ but on a serious note yes absolutely I will . I think the police services board really deflated a lot of the police because they recognize that there is still no plans from the upper level. It is bad when the officers are calling for his resignation too :(

2022-02-06, 8:39 a.m. - Beth: Yeah.... that's never a good sign.

2022-02-06, 8:39 a.m. - Kelly Cochrane: I just overheard that things are falling apart at confed park ugh

2022-02-06, 8:41 a.m. - Kelly Cochrane: thanks for actioning the councillor stuff. I keep reminding them that we have the function and even provided the email but I know Michelle feels the pressure to reply. Fleury even has her cell number and is texting and I'm not sure how he got her contact. She said someone in the past gave it to him and he constantly messages her ugh

2022-02-06, 8:42 a.m. - Kelly Cochrane: also to add to the fun, PPS lost a bullet magazine yesterday downtown :(

2022-02-06, 8:42 a.m. - Beth: What the?

2022-02-06, 8:43 a.m. - Kelly Cochrane: yup

2022-02-06, 9:58 a.m. - Kelly Cochrane: Update but not sure how much you want to going to the others: Fencing of the park is nearly done, however it appears they are not

occupying the park but the roadway east of the park. We were told they were taking down the shed but the officer on scene just updated that what they believed was it being disassembled is no longer the case, they are currently "cooking" in it. ugh. Many propane tanks (various sizes) and gas canisters observed as well as generators, wood piles and hay. :(

2022-02-06, 10:00 a.m. - Kelly Cochrane: policing on scene are identifying that this is the identified indigenous group and the optics of it being the first real proactive enforcement. Inspector here is recognizing this but advising to proceed.

2022-02-06, 10:05 a.m. - Beth: Ok for you to share info from the first message but maybe not the details of the second?

2022-02-06, 10:07 a.m. - Kelly Cochrane: roger

2022-02-06, 3:36 p.m. - Kelly Cochrane: FYI PSPC higher ups are struggling to make the decision to publicly release the staging location. The guy here agrees that it would likely divert parking traffic from other locations, which is a positive, but no one will give him an answer in writing. he's still working on it

2022-02-06, 3:37 p.m. - Kelly Cochrane: We are also working with police and fire for a location to transport dangerous goods when they are seized. Looks like they will be stored at the fire training grounds empty canister on Barnsdale road but work is still in progress

2022-02-06, 3:37 p.m. - Beth: Ok thanks. Good work although it's frustating.

2022-02-06, 3:38 p.m. - Beth: (frustrating for you -- not for us!)

2022-02-06, 3:38 p.m. - Kelly Cochrane: All good, not giving up

2022-02-06, 3:39 p.m. - Beth: I'm a bit worried about the fuel seizures tonight. If people are already drunk, and want to pick a fight....

2022-02-06, 3:39 p.m. - Beth: But, go to caught off supply!

2022-02-06, 3:39 p.m. - Beth: *got

2022-02-06, 3:39 p.m. - Kelly Cochrane: yes that is a big win if it happens. Fingers crossed. It is taking too long to get these things actioned. We are on day 10

2022-02-06, 3:39 p.m. - Beth: Oh my gosh... atrocious typing. Cut off supply.

2022-02-06, 3:40 p.m. - Kelly Cochrane: i understood :)

2022-02-06, 4:20 p.m. - Beth: Yikes. That is quite the stockpile you shared in the other chat.

2022-02-06, 4:22 p.m. - Kelly Cochrane: yeah scary

2022-02-06, 4:56 p.m. - Kelly Cochrane: FYI we are embedding bylaw with QRT police teams to help with enforcement

2022-02-06, 4:59 p.m. - Beth: Ok. I know Bylaw have good protective measures in place. Assuming that they will enact at slightest hint of threat.

2022-02-06, 5:06 p.m. - Kelly Cochrane: what does it fully mean to declare a state of emergency for us

2022-02-06, 5:06 p.m. - Kelly Cochrane: yup absolutely

2022-02-06, 5:08 p.m. - Beth: It is primarily a flag that a situation has escalated beyond the City's capacity to address, and that we need assistance from other jurisdictions or levels of government. Internally, it can be important to help us do things like re-prioritize resources and programming. Externally, it can be a flag to residents of the severity of a situation.

2022-02-06, 5:09 p.m. - Beth: It is important to note that this is the City declaring and not police. So, we are doing so in relation to impacts on residents, businesses, and critical infrastructure.

2022-02-06, 5:09 p.m. - Kelly Cochrane: thank you

2022-02-06, 5:12 p.m. - Kelly Cochrane: I can't even handle this shack at confederation

anymore. The last 2 hours they have been looking for straps to secure it to the flat bed . Why? Break it down. It will just be moved to another site. I keep hearing that in 15 minutes knock it down if they don't secure it. Hours of this

2022-02-06, 5:13 p.m. - Beth: What the? We should send Kim over there with his Fire axe. Totally agree.

2022-02-06, 5:14 p.m. - Kelly Cochrane: ugh it is the worst game of chicken ever. It's like me making empty threats to my kids having a temper tantrum

2022-02-06, 5:15 p.m. - Beth: ðŸ˜~, That was ok on Day 1 of this thing maybe but not on day 9 or 10.

2022-02-06, 5:19 p.m. - Kelly Cochrane: exactly haha

2022-02-06, 5:23 p.m. - Kelly Cochrane: watch camera 013

2022-02-06, 5:23 p.m. - Kelly Cochrane: first arrest about to go down for fuel transfer

2022-02-06, 5:24 p.m. - Beth: Thanks

2022-02-06, 5:25 p.m. - Kelly Cochrane: there are three pickups that just pulled in with fuel

2022-02-06, 5:32 p.m. - Kelly Cochrane: ugh they have a child in the car

2022-02-06, 5:33 p.m. - Beth: I don't like the use of children at all. Horrible.

2022-02-06, 6:42 p.m. - Kelly Cochrane: looks like they are going to make an arrest at coventry too. They just called the arrest van

2022-02-06, 6:46 p.m. - Beth: Good

2022-02-06, 6:46 p.m. - Kelly Cochrane: ðŸ˜€

2022-02-06, 6:48 p.m. - Beth: Thanks for the quick review!

2022-02-06, 6:49 p.m. - Kelly Cochrane: no problem

2022-02-06, 8:26 p.m. - Beth: Where did you get the lights? :)

2022-02-06, 8:30 p.m. - Kelly Cochrane: Trail Roads Waste Collection. You were absolutely right. Amanda had a contact. THANK YOU

2022-02-06, 8:30 p.m. - Beth: She always has a contact. :)

2022-02-06, 8:31 p.m. - Kelly Cochrane: there's some serious girl power in this city

2022-02-06, 8:31 p.m. - Kelly Cochrane: inspiring

2022-02-06, 10:06 p.m. - Kelly Cochrane: Hey boss. This message is for the morning. No need to reply but didnâ€™t want to forget. Just a flag that police are not guarding the fuel spot in Barrhaven that we are shuttling fuel to. Police are escorting our guys here but once they leave, anyone can access that fuel. I asked police to have a guard there but they werenâ€™t concerned. If anyone does counter surveillance on this fuel getting shuttled, then that supply is going to get raided

2022-02-06, 10:12 p.m. - Beth: OK. Maybe we can get some contracted security

2022-02-06, 10:14 p.m. - Kelly Cochrane: Yeah more just a flag. Maybe the day crew will be more receptive to an officer there. I know itâ€™s their call but will look bad if that fuel goes walking

2022-02-06, 10:15 p.m. - Beth: Yup ...like the shack reappearing...ðŸ˜~,

2022-02-06, 10:16 p.m. - Kelly Cochrane: Haha Iâ€™m going to have nightmares about that shack

2022-02-07, 2:48 p.m. - Kelly Cochrane: FYI the group at confed said they were going to take it to Coventry. Police said no but didnâ€™t destroy it so no surprise it ended up there. Now we get to deal with it all over again.

2022-02-07, 9:04 p.m. - Kelly Cochrane: I canâ€™t figure out how to share the video from Facebook but heads up that an Ottawa paramedic publicly resigned tonight and called out Steve K, Pierre and I believe Kim as well

2022-02-07, 9:04 p.m. - Beth: Whoa. Is that circulating?

2022-02-07, 9:04 p.m. - Kelly Cochrane: Oh yes!!!

2022-02-07, 9:05 p.m. - Beth: Is Pierre aware?

2022-02-07, 9:05 p.m. - Kelly Cochrane: He did an interview before the vaccine mandate on an anti Vaxxer group and identified himself as a medic but not Ottawa. He then went off sick before the mandate took effect. I heard he was spotted at the demonstration by one of the superintendents and then posted this tonight

2022-02-07, 9:06 p.m. - Kelly Cochrane: Not sure. Another medic shared it with me on Facebook. Trying to figure out how to save the video to show you but it has thousands of views already

2022-02-07, 9:07 p.m. - Beth:

2022-02-07, 9:07 p.m. - Beth: Is that it?

2022-02-07, 9:07 p.m. - Beth: Found it! ðŸ˜Š

2022-02-07, 9:07 p.m. - Kelly Cochrane: There you go. 2.7k on Facebook of likes and 25k views

2022-02-07, 9:07 p.m. - Kelly Cochrane: Yup

2022-02-07, 9:07 p.m. - Kelly Cochrane: Iâ€™m assuming they are aware by now

2022-02-07, 9:08 p.m. - Kelly Cochrane: I was hired with this guy

2022-02-07, 9:08 p.m. - Beth: Yikes. He names everyone but Kim. Maybe as Kim is too new.

2022-02-07, 9:08 p.m. - Kelly Cochrane: Yeah maybe. He wanted his fame before he left I guess

2022-02-07, 9:09 p.m. - Beth: Well, we know what Pierre will be doing tomorrow (hint: media responses). :)

2022-02-07, 9:09 p.m. - Kelly Cochrane: What baffles me as a healthcare professional that you fight against vaccines when itâ€™s a job requirement for our profession and always has been. I mean we all had to get H1N1 as well to keep our position.

2022-02-07, 9:10 p.m. - Kelly Cochrane: Haha yeah just what he needed right now.

2022-02-07, 9:11 p.m. - Beth: Anyway... we'll have to chat tomorrow on the NCRCC liaison. I am worried we are in this for longer than Feb 14!

2022-02-07, 9:11 p.m. - Kelly Cochrane: Yeah sounds good.

2022-02-07, 9:11 p.m. - Beth: Have a good night!

2022-02-07, 9:11 p.m. - Kelly Cochrane: You too

2022-02-08, 8:47 a.m. - Kelly Cochrane: morning boss

2022-02-08, 9:00 a.m. - Beth: Morning. Keep me posted on whether you think we'll see any major changes in Ops. I'm trying to figure out how/if we need to re-position our EOC objectives and activities.

2022-02-08, 9:01 a.m. - Kelly Cochrane: morning, yes based on initial conversations here, not looking good for a change. They just sent out a general order email to all units at OPS that are not patrol to identify staff available from now until March 7

2022-02-08, 9:04 a.m. - Beth: What's the status on officers coming from RCMP and other jurisdictions?

2022-02-08, 9:05 a.m. - Kelly Cochrane: good question, I just asked. So far the RCMP officers are not ready to deploy. I guess still being sworn in and sorted out. They have done a general call out as you know but no confirmed timeline. They are even looking at contract officers as many regions are reporting they are bare bones with

staffing through covid and concerned for backlash in their own region. I just heard them talking about Sudbury coming in but I don't think we will see an impact anytime soon

2022-02-08, 9:06 a.m. - Kelly Cochrane: This was from my conversation about this when I arrived this morning and honestly the staff sergeants here are pretty defeated on the general order email. They recognize there is no real plan to act right now

2022-02-08, 9:10 a.m. - Beth: Ok, thanks. It feels like we are in this holding pattern with no clear sense of next steps. Grr.

2022-02-08, 9:11 a.m. - Kelly Cochrane: Pretty much

2022-02-08, 10:50 a.m. - Beth: Hey - I asked the same question to Sam, who would likely know more on this than NCRCC but... have you heard if OPS have identified a location that they would bring trucks to, if they seized them? As of yesterday, I believe, OPS did not know such a location. Not sure if they do now.

2022-02-08, 10:52 a.m. - Kelly Cochrane: no one has an answer here to this. They believe it would be the metro compound but Staff here agree that it should be a separate location. Not sure they have thought that far in advance

2022-02-08, 10:58 a.m. - Beth: Ok.... do you know if they would want the City to find a location? If yes, I don't think we have good options and so it would likely be another ask to PSPC.

2022-02-08, 11:01 a.m. - Kelly Cochrane: Iâ€™ll confirm

2022-02-08, 11:07 a.m. - Kelly Cochrane: Okay so we need to find a location. I believe sam spoke to Amanda and I am not sure where she is at but i'll do a bilateral reach out to PSPC

2022-02-08, 2:32 p.m. - Kelly Cochrane: sorry Beth, Sam was talking to me when you called. He's free now.

2022-02-08, 2:32 p.m. - Kelly Cochrane: just trying to assist him from NCRCC with this towing stuff

2022-02-08, 2:32 p.m. - Beth: ðŸ˜Š

2022-02-08, 2:45 p.m. - Beth: Sam has asked me to connect OC Transpo with Police but OC Transpo is so slow getting back. Sigh.

2022-02-08, 2:55 p.m. - Kelly Cochrane: I have OC transpo here

2022-02-08, 2:55 p.m. - Kelly Cochrane: want me connect her to police?

2022-02-08, 2:56 p.m. - Beth: I don't think it's the right contact. I am working with Jim Greer, one of his managers can help do a recce etc. We need that expertise.

2022-02-08, 2:56 p.m. - Kelly Cochrane: great

2022-02-08, 2:57 p.m. - Beth: I'll wait until 3:00 pm and then call him back. I sent an email too. :)

2022-02-08, 2:58 p.m. - Kelly Cochrane: ðŸ˜Š'

2022-02-08, 3:17 p.m. - Beth: Ugh. Still waiting for OC Transpo. I don't know if people understand the urgency. I pinged them via text.

2022-02-08, 3:18 p.m. - Kelly Cochrane: brutal

2022-02-08, 3:19 p.m. - Kelly Cochrane: when you have 5-10 minutes today for a chat please let me know, I am just going to leave the room before I call

2022-02-08, 3:19 p.m. - Kelly Cochrane: i have some info I want to talk to you about and I had a chance to touch base with Todd

2022-02-08, 3:19 p.m. - Beth: Sounds good. I'm here and can chat whenever you can get away.

2022-02-08, 4:16 p.m. - Beth: Good to go with OC Transpo! They are connected to Police. :)

2022-02-08, 4:16 p.m. - Beth: Finally.

2022-02-08, 4:20 p.m. - Kelly Cochrane: yay, I had natalie reach out to him. awesome.

2022-02-08, 4:52 p.m. - Kelly Cochrane: Police intel are reporting a school bus full of fuel left coventry but police have not been able to locate it to stop it

2022-02-08, 4:52 p.m. - Kelly Cochrane: :(

2022-02-08, 4:53 p.m. - Beth: No kids in bus but bus being used as a supply vehicle?

2022-02-08, 4:53 p.m. - Kelly Cochrane: yup supply vehicle

2022-02-08, 4:54 p.m. - Kelly Cochrane: smart this time of day when school is let out

2022-02-08, 4:54 p.m. - Beth: What is going on at Coventry? How could that not be noticed?

2022-02-08, 4:54 p.m. - Kelly Cochrane: i have no words

2022-02-08, 4:54 p.m. - Beth: Exactly.

2022-02-08, 4:54 p.m. - Kelly Cochrane: the intel side of you must be dying right now watching this

2022-02-08, 4:55 p.m. - Beth: Yes and no. It's annoying as I can see that we actually had an intel failure before Jan 28. But it's good as I'm glad not to be in that world, in the chaos of trying to catch up.

2022-02-08, 4:55 p.m. - Beth: I heard former RCMP organized this.

2022-02-08, 4:56 p.m. - Beth: Kind of crazy to be doing this against the government from which you are getting a pension...

2022-02-08, 4:56 p.m. - Kelly Cochrane: yeah fair enough. Oh no way.

2022-02-08, 4:56 p.m. - Kelly Cochrane: yeah there are all kinds of people out there :(

2022-02-08, 4:57 p.m. - Beth: Agreed!

2022-02-08, 6:58 p.m. - Beth: Have a good night! I am heading out for groceries soon.

2022-02-08, 6:58 p.m. - Kelly Cochrane: have a good night, just packing up here s well :)

2022-02-09, 9:51 a.m. - Beth: Hey there -- are police going to remove the encampment at 1500 Bronson? I think they should. Like with Tunney's and Sandy Hill.

2022-02-09, 9:51 a.m. - Kelly Cochrane: There is no intention right now as Tunny's and Sandy Hill were not authorized but they basically had told the Tunny's pasture folks to go to Bronson the other day

2022-02-09, 9:52 a.m. - Kelly Cochrane: They are well aware it may turn into another encampment. Basically this group is spreading its seed across the city

2022-02-09, 9:52 a.m. - Beth: It's just that I see porta-potties at Bronson now.

2022-02-09, 9:52 a.m. - Beth: Not sure what we would be telling the Councillor every day.

2022-02-09, 9:54 a.m. - Kelly Cochrane: I will flag it but it seems clear their intention was to divert truckers there to hunker down instead of blocking streets or being at community centres. :(

2022-02-09, 10:36 a.m. - Kelly Cochrane: These "mysterious things" happening in the background

2022-02-09, 10:47 a.m. - Kelly Cochrane: FYI the director for PSPC buildings is in here today. He voiced the same concern and police basically gave the same answer. We rather them there than in the streets

2022-02-09, 10:47 a.m. - Kelly Cochrane: He is willing to continue to work to find a tow site but it is the integrity of that property after and security that is a concern for him

2022-02-09, 10:50 a.m. - Beth: Is it Brad? If yes, that guy is nice. The problem is that we can't win. I'd rather there than at the Sandy Hill CC. It's impossible.

2022-02-09, 10:50 a.m. - Kelly Cochrane: His name is Jeff

2022-02-09, 12:38 p.m. - Kelly Cochrane: FYI looks like i'll be here for around 5am tomorrow if this current plan is a "Go"

2022-02-09, 12:39 p.m. - Beth: Yeah. I think a few from the EOC (probably just core OEM people + me) will do the same.

2022-02-09, 12:57 p.m. - Kelly Cochrane: roger

2022-02-09, 12:57 p.m. - Beth: What is your take on the likelihood of it happening? Is NCRCC fully open about it?

2022-02-09, 12:58 p.m. - Kelly Cochrane: NO, I only know because Sam told me and I heard Staff Sgt Amy Bonds asking if she should come in too for 5am. Russ told her it is still being confirmed but likely. I wish they would give a formal heads up so people can plan

2022-02-09, 12:59 p.m. - Kelly Cochrane: they are making plans for 2 long shifts here tomorrow from what i'm overhearing

2022-02-09, 12:59 p.m. - Beth: Yeah because people are dedicated but no one is randomly showing up at NCRCC at 5:00 am. It would be the smaller night crew, which is hard on them.

2022-02-09, 1:01 p.m. - Beth: Sam told me to share with Steve K and Kim, hence the chat. I don't like how others are on that chat but it's hard to avoid using as Kim told me that he wanted stuff like that to be posted there.

2022-02-09, 1:20 p.m. - Kelly Cochrane: yes i agree. I am going to talk to Sam about giving Michelle the heads up to come in early as right now there isn't traffic at all planned tomorrow here or today

2022-02-09, 1:21 p.m. - Kelly Cochrane: and it's been challenging and time consuming for me to be relaying info on teams to her today

2022-02-09, 1:21 p.m. - Kelly Cochrane: wish we had a shadow person for me tomorrow. They could start a bit later but would be a good day to see the requests come in but I guess may be too busy

2022-02-09, 2:19 p.m. - Beth: Silvia is interested but she is checking with someone called Dylan, who I assume is her boss?

2022-02-09, 2:19 p.m. - Beth: So, we might have found a shadow.

2022-02-09, 2:19 p.m. - Kelly Cochrane: great :)

2022-02-09, 4:00 p.m. - Beth: Silvia is allowed to shadow. Do you want her to start tomorrow.?

2022-02-09, 4:03 p.m. - Kelly Cochrane: yes sure, that would be great :)

2022-02-09, 4:03 p.m. - Kelly Cochrane: she doesn't have to start at 5 though, she can come whenever

2022-02-09, 4:03 p.m. - Kelly Cochrane: it may go later into the evening anyways

2022-02-09, 4:18 p.m. - Kelly Cochrane: I just grabbed her a box of tests incase she wants them as they only hand them out twice a week

2022-02-09, 4:19 p.m. - Beth: Thanks for that. Just confirming when she wants to start shadowing.

2022-02-09, 4:19 p.m. - Kelly Cochrane: all good

2022-02-09, 4:19 p.m. - Kelly Cochrane: i'm still good here the rest of the week

2022-02-09, 4:22 p.m. - Beth: She's going to reach out to you directly.

2022-02-09, 4:22 p.m. - Kelly Cochrane: she just did

2022-02-09, 4:22 p.m. - Beth: ðŸ˜Š

2022-02-09, 4:27 p.m. - Kelly Cochrane: thank you

2022-02-09, 5:34 p.m. - Kelly Cochrane: heads up, now looking to postpone tomorrow for 24 hours

2022-02-09, 6:02 p.m. - Beth: Ok but Silvia should still go tomorrow if she can.

2022-02-09, 6:18 p.m. - Kelly Cochrane: she is :)

2022-02-10, 8:35 a.m. - Kelly Cochrane: morning, do you mind adding Silvia to the chat? I tried but it isn't letting me. her number 613-864-9414

2022-02-10, 8:36 a.m. - Beth: Of course.

2022-02-10, 8:37 a.m. - Beth: Ha, ha.... looks like I control the accesses!!!!

2022-02-10, 10:54 a.m. - Kelly Cochrane: Morning boss :). Just a heads up in reference to my comment at the end. OPS has been still freelancing requests to the city and it is causing a lot of issues. This is from Greenbank not NCRCC. Michelle and I both spoke to Russ today to ensure that is rectified as the integrity and confidentiality of these operations is paramount.

2022-02-10, 10:54 a.m. - Kelly Cochrane: it's so frustrating and Inspector Lucas is mad too as this leads to leaks as well as issues for our staff such as them utilizing Lemieux but not telling staff so they had issues getting to work today. Working on fine tuning this

2022-02-10, 10:55 a.m. - Beth: Uh oh. Should I tell the Chiefs to ensure that any request from OPS is made aware to you?

2022-02-10, 10:55 a.m. - Kelly Cochrane: yes please

2022-02-10, 10:56 a.m. - Beth: Will do. Not trying to hamper Greenbank but we can't be part of their internal problems.

2022-02-10, 10:56 a.m. - Kelly Cochrane: it's pretty bad what is happening at greenbank. That's how the OC transpo thing happened. They called the generic booking line to book instead of through here

2022-02-10, 10:56 a.m. - Kelly Cochrane: then yesterday and today it's been the same of rogue calls to our city services so really working to correct this

2022-02-10, 10:57 a.m. - Beth: Yikes. Thanks for sharing.

2022-02-10, 12:23 p.m. - Kelly Cochrane: I'm going to do the rest of the week. Todd is going to do Monday and Silvia Tuesday then I will go for the next week. I'm happy to work and support back filing any of their roles on those days from home. Silvia said she may need support so Jason could have a day off or her

2022-02-10, 12:24 p.m. - Beth: Hm. Let's work out a schedule. I am glad you are taking 2 days in a row. Good!

2022-02-10, 12:25 p.m. - Kelly Cochrane: she wants to come in again tomorrow when it's busier and then try on her own next week. But everyone is working everyday. I am happy to support from home. I know Todd and Silvia will be regularly reaching out as Todd has in the past to me and that's great but I can work to give others days off too :). We can work out a schedule.

2022-02-10, 12:27 p.m. - Beth: That's awesome. It's like you're managing an NCRCC team. :)

2022-02-10, 2:02 p.m. - Kelly Cochrane: in reply to your message, police won't have the resources and we do not have the barriers left. We are tapped out. I want to reach out to RA directly but don't want to go over the feds. he doesn't seem to care though. He's like,...ah well we were ready and she didn't reply. Oh well

2022-02-10, 2:02 p.m. - Kelly Cochrane: police's stance on it here is that "we can't block off every parking lot in the city for these guys". :(

2022-02-10, 2:04 p.m. - Beth: Got it. Thanks. But watch item. You guys might be displacing an encampment there tomorrow. :)

2022-02-10, 2:05 p.m. - Kelly Cochrane: oh for sure but I would imagine if they create an encampment then police won't be actioning it anytime soon. I am at a loss for this. I am not sure why the feds aren't pushing harder either. They already have one encampment and this is a contracted building

2022-02-10, 2:06 p.m. - Beth: Can you ask Silvia if employees should notify the EOC before entering yellow area or just try to avoid?

2022-02-10, 2:09 p.m. - Kelly Cochrane: They should avoid the area. If they must enter into a demonstrated related congested zone, they should be notifying their chain of the command to make the EOC aware.

2022-02-10, 3:03 p.m. - Kelly Cochrane: Intel here is terrible haha

2022-02-10, 3:03 p.m. - Kelly Cochrane: is it always like this?

2022-02-10, 3:03 p.m. - Beth: OMG yes. Like, always a mess. :)

2022-02-10, 3:21 p.m. - Beth: Is the OP still on for tomorrow?

2022-02-10, 3:22 p.m. - Kelly Cochrane: So far I believe so but sadly the last update said that convoy says that social media is going around saying that a city worker on the front lines spread to the truckers that "shit will be going down tomorrow". They also have intel on the detention centre being set up. GRR. hopefully they don't cancel

2022-02-10, 3:56 p.m. - Beth: What is going on with leaks? Unbelievable.

2022-02-10, 4:00 p.m. - Kelly Cochrane: yeah i have to tell you what just went down here but later, not on message haha. so brutal

2022-02-10, 4:00 p.m. - Beth: Oh my gosh. You can't make this stuff up.

2022-02-10, 6:39 p.m. - Kelly Cochrane: you okay for a call?

2022-02-10, 6:39 p.m. - Beth: Yup.

2022-02-10, 6:39 p.m. - Kelly Cochrane: Missed voice call

2022-02-11, 9:56 a.m. - Kelly Cochrane: Thanks for replying to that councillor inquiry :)

2022-02-11, 9:57 a.m. - Kelly Cochrane: Silvia is here again today, she wanted to come back as she wasn't quite comfortable yet. She is basically going to run today and i'll shadow her if she needs assistance or has questions :). She has been great at building relationships with partners here

2022-02-11, 9:57 a.m. - Beth: That's awesome. So.. two more days for you and then two days off? :)

2022-02-11, 9:59 a.m. - Kelly Cochrane: Yes, Todd here Monday and Silvia Tuesday and then I'm good to go until next Tuesday or so :). I am going to work on some core business that I am a bit behind on and can still support from home. I always go on the calls because otherwise you end up not caught up on events and I find it easier to stay current. I feel just horrible for taking any days off honestly as everyone is working 7 days a week right now but being home working for a day or two is helpful with this prolonged operations. If police plan any major event monday or tuesday then I can absolutely come in

2022-02-11, 1:12 p.m. - Beth: What is up with that Councillor interview? No words.

2022-02-11, 1:17 p.m. - Kelly Cochrane: yeah we can't even make this stuff up anymore

2022-02-11, 1:18 p.m. - Kelly Cochrane: FYI Marriott hotel is currently booked at 17% today and 70% for the rest of the weekend :(

2022-02-11, 1:20 p.m. - Beth: Oh no.

2022-02-11, 2:20 p.m. - Kelly Cochrane: I am looking into this but between you and me I would not be surprised at all if police let them in. It is ridiculous how dormant they are

2022-02-11, 2:20 p.m. - Kelly Cochrane: they couldn't even stop the bbq on sussex

2022-02-11, 2:20 p.m. - Beth: Yeah... I wondered if PLTs allowed too. No need to respond in broader group chat. I only reached out wide in case others were aware.

2022-02-11, 2:21 p.m. - Kelly Cochrane: they are too afraid to rock the boat and we are far past that.

2022-02-11, 2:21 p.m. - Kelly Cochrane: i'm watching a truck build a structure on the roof of his vehicle at metcalfe and albert . I warned police when I saw that truck pull into the parking lot 2 hours ago with building materials on the roof. We also have permission to ticket and tow on this private property lot but the vehicles have removed their license plates which is now a police tow and they haven't done anything

2022-02-11, 2:22 p.m. - Kelly Cochrane: this parking spot has been the centre of a lot of activity over the last week

2022-02-11, 2:22 p.m. - Beth: So essentially... no one cares about the provincial announcement. Sigh.

2022-02-11, 2:23 p.m. - Kelly Cochrane: sadly RCMP have to start pushing their hand on enforcement. Nothing is getting done besides a few jerry cans

2022-02-11, 2:25 p.m. - Kelly Cochrane: between you and me, PSPC identified that 1500 bronson was vacant with the exception porta potties and some tents left. We asked police if we could enforce the removal while the lot was vacant and then close it off with the ability to move barriers if it is needed for overflow this weekend. Ottawa police did not want to action it as they told demonstrators at tunny's the other day they could go there as a PLT tactic and then don't want to make them mad by removing their stuff

2022-02-11, 2:26 p.m. - Kelly Cochrane: sigh. we had an opportunity

2022-02-11, 2:26 p.m. - Beth: So... even when something is easy and low risk, we don't enforce.

2022-02-11, 2:26 p.m. - Beth: That lot could become busy this weekend.

2022-02-11, 2:27 p.m. - Kelly Cochrane: yup

2022-02-11, 2:27 p.m. - Kelly Cochrane: i was deflated on that one

2022-02-11, 5:19 p.m. - Kelly Cochrane: I have no words for what is happening here.

2022-02-11, 5:21 p.m. - Kelly Cochrane: 60 officers surrounded guys with two generators trying to set up tents. They had arrest grounds but the PLT let them walk away with all their supplies. Now they are at a new location setting it up and police aren't intervening. It is the same group. There is also a smaller tent at Rideau/Sussex. They are just watching everything happen. brutal

2022-02-11, 5:22 p.m. - Beth: Kim keeps telling me that stuff is happening at the political level, behind the scenes but it sure is not translating into tangible progress....

2022-02-11, 5:23 p.m. - Kelly Cochrane: yeah i just watched a coordinated response at rideau and sussex of them bringing in a full stage speaker sound system set up. Police direction is "warn them they can't do it" but don't stop it

2022-02-11, 5:24 p.m. - Kelly Cochrane: I can't even anymore. How do we answer all these resident and councillor complaints and save face

2022-02-11, 6:36 p.m. - Kelly Cochrane: I'm going to wrap up here. My kids are at a neighbours and hubby's on nights. Michelle is here until 9pm but honestly they are just letting everything happen. They have my number for oncall. I'm going to send a little update and go pick up mykids if you're okay

2022-02-11, 6:36 p.m. - Beth: Good decision. I'm also trying to wrap up and go to bed early!

2022-02-11, 6:36 p.m. - Beth: Today was the first day that I was actually really tired.

2022-02-11, 6:36 p.m. - Beth: Thanks for everything you continue to do. I am amazed every day.

2022-02-11, 6:37 p.m. - Kelly Cochrane: same boss. It was a frustrating day here for

sure to watch as I am sure it was for you too. I will get re-energized for our weekend festivities ;)

2022-02-11, 6:37 p.m. - Beth: Me too :)

2022-02-11, 6:37 p.m. - Kelly Cochrane: Thank you, I really appreciate it. Your support means so much

2022-02-11, 6:38 p.m. - Kelly Cochrane: I'll send an update after the 7:30 sit rep. Michelle is going to relay it to me

2022-02-12, 11:35 a.m. - Beth: Hey - how is Ghislain doing on the Mayor's request re Police Comms liaison?

2022-02-12, 11:35 a.m. - Kelly Cochrane: He just reached out again saying he spoke to them again and they are working on it. :(

2022-02-12, 11:36 a.m. - Beth: Ok. I think noon was a soft deadline anyway.

2022-02-12, 11:43 a.m. - Kelly Cochrane: okay sorry boss, I keep poking him. Police are running around here like crazy. You think on the third week it would be more routine

2022-02-12, 11:44 a.m. - Beth: No worries. Like I said, I think it's a soft target. We know everyone are busy.

2022-02-12, 12:14 p.m. - Kelly Cochrane: The mentality here hasn't really changed. The pic I posted they don't want to address the fuel or BBQ because it may agitate the crowd :(.

2022-02-12, 12:15 p.m. - Beth: Ok but if those cans are full, that is a hazard.

2022-02-12, 12:53 p.m. - Kelly Cochrane: yup they are refusing to address it with the agitated crowd. I will bring it up again

2022-02-12, 12:54 p.m. - Kelly Cochrane: Pretty sure they have a propane fire pit under the tent. going to use that angle

2022-02-12, 12:56 p.m. - Beth: Thanks.

2022-02-12, 12:56 p.m. - Beth: I feel like we might just be doing a lot of watching today....

2022-02-12, 1:00 p.m. - Kelly Cochrane: I brought it up again and said I want it assessed. They are sending their FSU (embedded fire), with POU to go review it but i doubt they will enforce anything. I can't even right now. It's a free for all out there and it is endangering people

2022-02-12, 1:02 p.m. - Kelly Cochrane: We have a lot of people with tactical type gear today downtown. I have a bad feeling

2022-02-12, 1:09 p.m. - Kelly Cochrane: This is way more aggressive today. not a good environment

2022-02-12, 1:10 p.m. - Beth: Yikes. I'm worried. Last weekend, the war memorial was respected.

2022-02-12, 1:11 p.m. - Kelly Cochrane: I'm def worried, debating pulling bylaw out

2022-02-12, 1:12 p.m. - Kelly Cochrane: police want to keep them

2022-02-12, 1:18 p.m. - Beth: Where are they? Just Rideau and Sussex?

2022-02-12, 1:18 p.m. - Kelly Cochrane: One is patrolling east of canal and one west. They are no longer at rideau/sussex and I don't feel like they are going to send police/FSU there anymore either.

2022-02-12, 1:19 p.m. - Kelly Cochrane: they are completely overwhelmed here. There is a truck on elgin openly unloading 40 jerry cans and police said leave it. No resources

2022-02-12, 1:19 p.m. - Beth: Ok. So, they are out of epi-center, which is good.

2022-02-12, 1:19 p.m. - Kelly Cochrane: yes

2022-02-12, 1:19 p.m. - Kelly Cochrane: I don't have any AVL on them but they left there, but the reality is that this fuel is everywhere

2022-02-12, 1:20 p.m. - Beth: For BLRS... they just need to stay out of the epi-centre. Can you please monitor?

2022-02-12, 1:21 p.m. - Kelly Cochrane: yes. i personally feel that we pull them out for now and send them in to controlled patrols when police get a better handle on the situation

2022-02-12, 1:21 p.m. - Kelly Cochrane: they can stage at city hall

2022-02-12, 1:22 p.m. - Kelly Cochrane: I do not feel like police have control right now, I know they just asked RCMP

2022-02-12, 1:22 p.m. - Kelly Cochrane: I know enforcement is important, however public safety isn't currently being maintained

2022-02-12, 1:23 p.m. - Kelly Cochrane: they can drive and patrol outer perimeter if they want, they have cars

2022-02-12, 1:24 p.m. - Beth: I would support this. Based on what we are seeing at War Memorial, now is not the time to ticket.

2022-02-12, 1:24 p.m. - Beth: Can you talk to Tania and whoever else please?

2022-02-12, 1:24 p.m. - Kelly Cochrane: okay yes, if you mean the red zone as the epicentre then that is where they are patrolling, not physically at Rideau/Sussex but in the red. Thanks boss. We can revisit if they get this under control

2022-02-12, 1:24 p.m. - Kelly Cochrane: I will action it

2022-02-12, 1:25 p.m. - Beth: Thank you. Action it so as to prioritize staff safety first.

2022-02-12, 1:29 p.m. - Kelly Cochrane: roger. Inspector is aware here and no push back

2022-02-12, 1:40 p.m. - Beth: Colonel By and Daly - issue there?

2022-02-12, 1:42 p.m. - Kelly Cochrane: There is a fuel truck trying to get in

2022-02-12, 1:44 p.m. - Kelly Cochrane: disregard it is not a fuel truck, it is a pumping truck for the porta potties and they are letting it in

2022-02-12, 1:44 p.m. - Beth: Perfect. Thanks.

2022-02-12, 2:03 p.m. - Kelly Cochrane: FYI FSU went to Rideau and Sussex and had the fuel tanks moved into the bed of the truck and were content with that

2022-02-12, 2:04 p.m. - Beth: Ok. Thanks. Worried that in general today, it's more like a power keg than previous weekends.

2022-02-12, 2:04 p.m. - Kelly Cochrane: sure is. Hopefully with superbowl tomorrow it is just the truckers downtown and everyone went to their own home parties to watch

2022-02-12, 2:07 p.m. - Beth: Agreed. Although didn't Sam say that some big screen TVs were brought into the Red Zone? Sigh. It feels like they are moving in.

2022-02-12, 2:09 p.m. - Kelly Cochrane: Yup they are right in front of Parliament. They are moving in. They have bathrooms, spas, beer gardens

2022-02-12, 2:10 p.m. - Beth: I saw shots on TV of the people in the hot tubs. So gross. It's a total snub to Ottawa. I am worried that whatever discussions are happening at high levels, are not showing results fast enough. But, focus this weekend is just on staying safe.

2022-02-12, 2:10 p.m. - Beth: Trying to stay positive but it can be challenging at times. :)

2022-02-12, 2:13 p.m. - Kelly Cochrane: yeah they are completely running this show over the police. Hopefully they create a plan to execute soon

2022-02-12, 3:20 p.m. - Kelly Cochrane: FYI just got a little flack from the sgt here

who asked for bylaw at metcalfe and slater for a vendor selling. Note this is a flashpoint spot and in the red zone. I advised that we are responding outside the zone right now but OPS officers can ticket or collect information for bylaw. Funny how they aren't enforcing anything but want us to when the crowd is being hostile

2022-02-12, 3:20 p.m. - Kelly Cochrane: mean while earlier they told me to now ticket, just collect information for summons later. Shaking my head

2022-02-12, 3:22 p.m. - Beth: You're instincts are good. Need to hold the line on this. Without their leadership, we can't act alone.

2022-02-12, 4:08 p.m. - Kelly Cochrane: did you every get anything from EIO?

2022-02-12, 4:09 p.m. - Beth: Nope - did you?

2022-02-12, 4:10 p.m. - Kelly Cochrane: no

2022-02-12, 4:10 p.m. - Beth: Can you please ping Ghislain or did you want me to? :)

2022-02-12, 4:15 p.m. - Kelly Cochrane: I just pinged him already

2022-02-12, 4:29 p.m. - Kelly Cochrane: they replied back that they will get it to him "soon" sigh

2022-02-12, 4:29 p.m. - Beth: I know they are busy but I thought it was an easy request. Thanks for keeping an eye on it.

2022-02-12, 4:29 p.m. - Kelly Cochrane: yeah I don't think anything is easy right now for police :(what a mess

2022-02-13, 9:14 a.m. - Beth: Hey - good morning! Just looking at our cameras. Looks like fencing was not re-installed at the Cenotaph overnight, right?

2022-02-13, 9:15 a.m. - Kelly Cochrane: that is correct. Russ put a stop to it this morning. They are concerned about it not being able to be properly secured and being used against police. They will be re-visiting it later

2022-02-13, 9:15 a.m. - Kelly Cochrane: PSPC seems to be on the same page of not wanting to put fencing back up at this point. When I left last night I had arranged the police escort to have it put up and sometime overnight this was cancelled

2022-02-13, 9:16 a.m. - Beth: Makes sense. Also, I could be wrong but I don't think there have been reports of desecration.

2022-02-13, 9:16 a.m. - Kelly Cochrane: they have had reports of someone urinating on it but feds have evidence on that person

2022-02-13, 9:17 a.m. - Beth: Ok. That is definitely horrible. They have good cameras on it so glad they are pursuing investigations...

2022-02-13, 9:18 a.m. - Kelly Cochrane: yes correct

2022-02-13, 9:18 a.m. - Kelly Cochrane: scary about that truck full of weapons being stolen.how does that happen?

2022-02-13, 9:19 a.m. - Beth: Well... a lot of things have been happening. Do they know where it might be headed? There are so many options from Peterborough.... Ottawa, Toronto, Windsor, Niagara....

2022-02-13, 9:19 a.m. - Kelly Cochrane: no they have no clue right now

2022-02-13, 9:19 a.m. - Beth: And whose tractor trailer was it? That's a lot of weapons to be storing.

2022-02-13, 9:20 a.m. - Kelly Cochrane: I don't have more information other than all the police services are putting a BOLO out for the plate. I'll try to get more from OPP

2022-02-13, 9:21 a.m. - Beth: Ok. BTW, I definitely don't want to make people upset so not sharing but this is the closest I've come to the experience I had working in an Ops Centre in Afghanistan. Dangerous things happening all that time, unpredictable opponents, new tactics, etc. :(

2022-02-13, 9:22 a.m. - Kelly Cochrane: :(Yeah I don't think i'll share the missing

firearms on the meeting right now

2022-02-13, 9:22 a.m. - Kelly Cochrane: but I do feel like this demonstration is going to end badly :(

2022-02-13, 9:24 a.m. - Beth: I'm worried about that too. I also don't see a way out without military assistance at this point.

2022-02-13, 9:26 a.m. - Kelly Cochrane: Look at riverside and bank

2022-02-13, 9:26 a.m. - Kelly Cochrane: there is a counter protest blocking the road for the Coventry convoy, not good

2022-02-13, 9:27 a.m. - Beth: I see it now. Was not expecting that.

2022-02-13, 9:28 a.m. - Kelly Cochrane: nope no one was

2022-02-13, 9:28 a.m. - Kelly Cochrane: i just told police about it because TIMG called me

2022-02-13, 9:28 a.m. - Beth: Good job

2022-02-13, 9:29 a.m. - Kelly Cochrane: This is going to end in a fight

2022-02-13, 9:30 a.m. - Beth: I don't see police yet. I think the flashing lights are from a truck?

2022-02-13, 9:31 a.m. - Kelly Cochrane: Yes one cruiser there

2022-02-13, 9:31 a.m. - Beth: More arriving...

2022-02-13, 9:32 a.m. - Kelly Cochrane: yup, they are sending PLT as well. People trying to take things into their own hands. The frustration is mounting.

2022-02-13, 9:33 a.m. - Kelly Cochrane: counter protesters are now threatening to throw rocks at the trucks. Not good

2022-02-13, 9:45 a.m. - Kelly Cochrane: So regarding the tractor, it was 2400 guns from a company called Savage Arms

2022-02-13, 9:45 a.m. - Kelly Cochrane: stolen at 3am

2022-02-13, 9:46 a.m. - Kelly Cochrane: the trailer is not marked with the company name. Likely they don't put the name on for safety

2022-02-13, 9:46 a.m. - Beth: I don't even know what to say. I'm worried by the complete lack of understanding as to where it went.

2022-02-13, 9:47 a.m. - Kelly Cochrane: yup

2022-02-13, 9:47 a.m. - Beth: What's your take on the Riverside Drive situation? I feel like Police will try to move the counter-protesters.

2022-02-13, 9:48 a.m. - Beth: Yup. Just checked. Looks like it.

2022-02-13, 9:48 a.m. - Kelly Cochrane: yeah they are now allowing vehicles through

2022-02-13, 9:49 a.m. - Kelly Cochrane: ironic that the convoy that keeps causing traffic disruptions is not being held up

2022-02-13, 9:49 a.m. - Beth: Yup.

2022-02-13, 9:49 a.m. - Beth: Looks like police have blocked the rest of the convoy though. Riverside seems closed now.

2022-02-13, 9:52 a.m. - Kelly Cochrane: yeah it sounds like they closed it north near the smyth bridge

2022-02-13, 9:56 a.m. - Kelly Cochrane: Now a group is doing the same thing to the other convoy at 474 elgin

2022-02-13, 10:58 a.m. - Beth: The only supply/staging area is now Coventry right? Although I guess that some hotels are being used for planning.

2022-02-13, 11:09 a.m. - Kelly Cochrane: yes it is and marriott for sure

2022-02-13, 11:09 a.m. - Kelly Cochrane: Hillier has almost the whole hotel booked out

2022-02-13, 2:15 p.m. - Beth: What is going on at Bank and Riverside? Sam is saying they are trying to get protesters out of cars. Doesn't look good.

2022-02-13, 2:18 p.m. - Kelly Cochrane: Pat King posted on social media asking for people to go there

2022-02-13, 2:19 p.m. - Kelly Cochrane: Police are sending more resources

2022-02-13, 2:19 p.m. - Kelly Cochrane: Also FYI and not supposed to be repeated but for you (if you already don't know). Police announced a tentative agreement with the demonstrators. It is supposed to have a significant impact on the downtown core but not get rid of them completely. Details are supposed to be released at 3pm.

2022-02-13, 2:20 p.m. - Beth: Thanks.. I heard something very quiet about that. (re the 3:00 pm thing) but not the full details. That would be awesome

2022-02-13, 2:21 p.m. - Kelly Cochrane: Fingers crossed

2022-02-13, 2:22 p.m. - Kelly Cochrane: I just saw a huge banner cross the screen at Rideau and Sussex to go downtown. oh boy. It look like 10 people to carry

2022-02-13, 2:23 p.m. - Beth: It's weird. Bank and Riverside is not that far but it is if you have to walk or try to take a bus.

2022-02-13, 2:23 p.m. - Beth: Not everyone downtown could make it here fast. :)

2022-02-13, 2:32 p.m. - Kelly Cochrane: okay at metcalfe and slater i asked police to send a team, they are setting up a tent and have a truck full of fuel. I also mentioned that we had barriers from traffic under there to be recovered as they had taken them apart to help reinforce their tent. They took the barriers and walked away letting them set up the tent and ignored the fuel. :(

2022-02-13, 3:11 p.m. - Beth: Did the announcement go out? :)

2022-02-13, 3:11 p.m. - Kelly Cochrane: No

2022-02-13, 3:11 p.m. - Beth: Darn

2022-02-13, 3:12 p.m. - Kelly Cochrane: I was just pulled away to help with evacuation routes for the truckers so thatâ€™s a start

2022-02-13, 3:13 p.m. - Kelly Cochrane: Iâ€™m skeptical though. Nothing has gone as planned so far

2022-02-13, 3:13 p.m. - Beth: Awesome. Keep me posted. Kim is having me quietly look at towing options again. Also... happy to be a sounding board for evacuation routes.... :)

2022-02-13, 3:14 p.m. - Beth: We're not allowed to tell the EOC, apparently.

2022-02-13, 3:14 p.m. - Kelly Cochrane: Thanks :). I will. Yeah itâ€™s hush hush.

2022-02-13, 3:14 p.m. - Kelly Cochrane: They should get the keys and drive these rigs out. They arenâ€™t broken.

2022-02-13, 3:16 p.m. - Beth: I'm worried that they've locked the air brakes. But, those would be the hard-core ones, I think the focus on this planning is on voluntary exit, which is much different....

2022-02-13, 3:32 p.m. - Kelly Cochrane: Yeah absolutely. I know a few took wheels off so it couldnâ€™t be towed

2022-02-13, 3:36 p.m. - Beth: Just sent you something by email.

2022-02-13, 3:49 p.m. - Kelly Cochrane: Thanks for this. I can come in tomorrow to assist if needed

2022-02-13, 3:49 p.m. - Beth: It came in when I was on the phone with Sam. He knew nothing about it. I'm concerned that it's going to be disorganized. Are you guys planning more openly now?

2022-02-13, 3:50 p.m. - Beth: I sent to Melisa, Jason, Paola and Dan but not with

anyone else yet.

2022-02-13, 3:50 p.m. - Kelly Cochrane: no other than traffic going to the maps with me to look at routes.

2022-02-13, 4:18 p.m. - Kelly Cochrane: it's on the news now

2022-02-13, 4:20 p.m. - Kelly Cochrane: is it bad that I feel like this is a trap? Or are they getting something out of this agreement

2022-02-13, 4:21 p.m. - Beth: I'm suspicious too.

2022-02-13, 4:49 p.m. - Kelly Cochrane: This is not going to be executed well.

2022-02-13, 4:51 p.m. - Kelly Cochrane: A little preemptive to make that announcement before negotiations start

2022-02-13, 4:51 p.m. - Beth: I know. I thought the negotiations had occurred already.

2022-02-13, 4:51 p.m. - Kelly Cochrane: Me too.

2022-02-13, 4:51 p.m. - Beth: Was surprised when Kim told me they were starting at 18:00

2022-02-13, 4:51 p.m. - Kelly Cochrane: Not good

2022-02-13, 4:52 p.m. - Kelly Cochrane: And who is representing the province and federal government in these negotiations? While

Municipally we want them out, their demands are at higher levels

2022-02-13, 4:52 p.m. - Beth: No idea. They might be there but Kim only mentioned Drummond.

2022-02-13, 4:53 p.m. - Kelly Cochrane: I spoke to Todd. He's still good to come tomorrow. I'll be working from home other than hoping to sneak in an hour workout to de stress but I told him I would be around for anything and can come

In if it gets busy

2022-02-13, 5:13 p.m. - Beth: That's good. Not sure the plan will start tomorrow but I remain hopeful.

2022-02-13, 7:07 p.m. - Kelly Cochrane: If you can call please call my cell

2022-02-13, 7:08 p.m. - Kelly Cochrane: I just got in my car to get the kids as hubby is on nights

2022-02-13, 7:21 p.m. - Kelly Cochrane: My feeling if it is voluntary then they are giving those the option to leave peacefully while they can before the forcibly remove the leftovers

2022-02-13, 7:22 p.m. - Beth: I'm just worried the leftovers will prevent the volunteers from leaving. Hope that is not the case though.

2022-02-13, 7:23 p.m. - Kelly Cochrane: Yeah we already saw that. I hope those with kids at least go.

2022-02-13, 7:23 p.m. - Beth: Yes - they can't be there if enforcement is used next.

2022-02-13, 7:24 p.m. - Kelly Cochrane: Exactly and in Windsor they did a voluntary leave before enforcement

2022-02-13, 7:33 p.m. - Kelly Cochrane: FYI it was just reinforced to me that the mayors letter said "remove" not vacate. This is key as there is some anticipation that they will just move locations

2022-02-13, 7:33 p.m. - Beth: Hm. To where?

2022-02-13, 7:35 p.m. - Kelly Cochrane: The plan is to head them out of the city but the problem lies with the demonstrators cooperating and not just "moving" locations

2022-02-16, 9:45 a.m. - Kelly Cochrane: morning boss. I saw the memo of the injunction but did we get the specifics of it?

2022-02-16, 9:48 a.m. - Beth: I haven't seen much else. What are you looking for? A better sense of what it means, tangibly?

2022-02-16, 9:48 a.m. - Beth: Happy to help get you something.

2022-02-16, 9:48 a.m. - Kelly Cochrane: yes, more than just the memo. Police are asking

2022-02-16, 9:49 a.m. - Beth: Ok, so they want to know how it impacts police operations, specifically?

2022-02-16, 9:49 a.m. - Kelly Cochrane: yes :)

2022-02-16, 9:49 a.m. - Beth: But not in "legalise" :)

2022-02-16, 9:49 a.m. - Kelly Cochrane: Their planning team is looking for it

2022-02-16, 9:49 a.m. - Kelly Cochrane: :) yes

2022-02-16, 9:50 a.m. - Kelly Cochrane: also Kim is not going to be happy but there is no specific vehicle count of "trucks" out of the residential areas. This has definitely been an area where they have not had a good finger on the pulse. There reply back was essentially "no but traffic is more free flowing in the residential areas"

2022-02-16, 9:56 a.m. - Beth: Yikes. Can you ask about the OPP helicopter work? What did they see or count?

2022-02-16, 9:57 a.m. - Kelly Cochrane: yeah I just did. OPP has not had their helicopter up in a while and doesn't plan to.

2022-02-16, 9:58 a.m. - Beth: Sorry about that -- we had heard that they went up the other day but must have been wrong. What about the drone? When is that doing another tour?

2022-02-16, 9:59 a.m. - Kelly Cochrane: I have asked them to try to get one today. The drone is ESU and they start soon so hoping they can get a count today

2022-02-16, 11:30 a.m. - Beth: Is Bernier still Incident Commander? I do like that guy. I think he's a good person.

2022-02-16, 11:31 a.m. - Kelly Cochrane: yes he is. I like him as well. We have always worked well together

2022-02-16, 11:31 a.m. - Beth: Good. Was worried that they would switch again after the resignation announcement. Thanks for confirming!

2022-02-16, 11:31 a.m. - Kelly Cochrane: :). I have never seen so many officers happy about this resignation

2022-02-16, 11:35 a.m. - Beth: I heard rumours of celebrations. ;)

2022-02-16, 11:42 a.m. - Kelly Cochrane: many :)

2022-02-16, 4:43 p.m. - Kelly Cochrane: A vehicle has just parked perpendicular at wellington and Elgin to stop all other vehicles from leaving. Honestly I can't make this up. How did that big truck even get in there? Shaking my head

2022-02-16, 4:43 p.m. - Kelly Cochrane: we let one truck out because the owner came to recover his truck from the driver and now they have blocked all other trucks in to prevent anyone else from leaving. They made their own barricade

2022-02-16, 4:43 p.m. - Beth: Oh my gosh. What kind of vehicle? F-150 size or bigger?

2022-02-16, 4:44 p.m. - Kelly Cochrane: no like a massive horse trailer. The length of the whole road

2022-02-16, 4:44 p.m. - Beth: That is ridiculous.

2022-02-16, 4:44 p.m. - Kelly Cochrane: yup no one even noticed from police until he was parked but OPP were standing there watching

2022-02-16, 4:44 p.m. - Beth: What the? I don't understand how we manage ops on the ground sometimes.

2022-02-16, 4:44 p.m. - Kelly Cochrane: now pat king is streaming it live apparently

2022-02-16, 4:45 p.m. - Beth: That is embarrassing for us.

2022-02-16, 4:48 p.m. - Kelly Cochrane: beyond

2022-02-16, 4:48 p.m. - Kelly Cochrane:
<https://www.facebook.com/therealpatking/videos/1071514003414807>

2022-02-16, 4:49 p.m. - Kelly Cochrane: go to the end of this video around the 11 minute mark

2022-02-16, 4:49 p.m. - Beth: Ok but not looking forward to it. :)

2022-02-16, 4:55 p.m. - Kelly Cochrane:
<https://www.facebook.com/therealpatking/videos/747497809551776>

2022-02-16, 4:55 p.m. - Beth: I can't handle these videos. :) Like, who was not controlling access?

2022-02-16, 4:56 p.m. - Kelly Cochrane: Beth I can't even. The amount of things i've seen go through. I watched a public order team stand while wheelbarrows full of fuel went literally through them

2022-02-16, 4:57 p.m. - Beth: Not sure if you are watching Council but it's clear Councillors no longer believe what Police are telling them.

2022-02-16, 4:58 p.m. - Kelly Cochrane: Yeah i was. I can't blame them

2022-02-16, 4:59 p.m. - Beth: I actually really like Councillor McKenney. Just trying to help people.

2022-02-16, 4:59 p.m. - Kelly Cochrane: Yeah those inquiries all made sense. Some others.... well ;)

2022-02-16, 5:00 p.m. - Beth: Agreed.

2022-02-16, 5:25 p.m. - Kelly Cochrane: wow this is getting interesting...

2022-02-16, 5:25 p.m. - Kelly Cochrane: The "watson club"

2022-02-16, 5:25 p.m. - Beth: Oh my gosh. I was surprised at this motion.

2022-02-16, 5:26 p.m. - Kelly Cochrane: i wasn't, i saw the news article released just before this.

2022-02-16, 5:26 p.m. - Kelly Cochrane: <https://ottawa.ctvnews.ca/mobile/ottawa-police-board-hired-new-chief-without-competition-sources-1.5784106>

2022-02-16, 5:27 p.m. - Beth: Ah... this is like watching a TV show. :)

2022-02-16, 5:27 p.m. - Kelly Cochrane: Seriously

2022-02-16, 5:28 p.m. - Kelly Cochrane: wow shots fired

2022-02-16, 5:28 p.m. - Beth: They are super passive aggressive to each other sometimes. Wow. And aggressive-aggressive. :)

2022-02-16, 5:29 p.m. - Kelly Cochrane: no kidding

2022-02-16, 5:29 p.m. - Kelly Cochrane: he is not going to get his way with the agenda....just stop

2022-02-16, 5:30 p.m. - Beth: Yikes. So awkward.

2022-02-16, 5:30 p.m. - Kelly Cochrane: yeah

2022-02-16, 5:52 p.m. - Beth: What's your bet? I think Councillors Dean and Meehan will be voted off the Board. The Mayor has the votes I think.

2022-02-16, 5:52 p.m. - Kelly Cochrane: Yes I def think they will

2022-02-16, 5:53 p.m. - Kelly Cochrane: I can't believe she tried to hire a police chief on her own and Sloly was paid out the rest of the contract. WOW

2022-02-16, 5:53 p.m. - Kelly Cochrane: this drama is keeping me going in here haha

2022-02-16, 5:55 p.m. - Beth: Yeah. I read the article you sent. Pretty crazy. I'm not surprised that Councillor King is not included. His voice on that Board is super important and he seems not to be involved in any weird stuff (like hiring a new Chief without competition!).

2022-02-16, 5:56 p.m. - Kelly Cochrane: yeah, I have heard good things about King

2022-02-16, 5:57 p.m. - Beth: Councillor El-Chantiry is one of my favourites. I guess I support the motion. ;) But of course, in a non-biased way like we are supposed to demonstrate.

2022-02-16, 5:57 p.m. - Kelly Cochrane: :)

2022-02-16, 7:47 p.m. - Beth: Is the NCRCC sitrep at 9:00 am or 9:30 am tomorrow?

2022-02-16, 7:54 p.m. - Kelly Cochrane: 9

2022-02-16, 7:54 p.m. - Beth: Ok. Trying to figure out when the small group that met tonight can meet again. Thinking a quick touch base at 9:30? Need to figure out what we are telling the bigger group too.

2022-02-16, 7:55 p.m. - Kelly Cochrane: Sam said after the EOC meeting at 10

2022-02-16, 7:55 p.m. - Beth: Ok!

2022-02-16, 7:56 p.m. - Kelly Cochrane: I had asked when we can get more info for a few other city partners to make some decisions while trying to keep it tight still and he said after the 10

2022-02-16, 7:56 p.m. - Beth: Should we still do the 10:00 or move it to later/maybe in the aft?

2022-02-16, 7:56 p.m. - Kelly Cochrane: I would move it honestly, they may get wind and have more questions than we can answer at that point

2022-02-16, 7:56 p.m. - Kelly Cochrane: we can move our team to 10 and invite sam

2022-02-16, 7:57 p.m. - Beth: Ok. So, maybe use the 10:00 for the small group + Sam and then move the big meeting to the afternoon?

2022-02-16, 7:57 p.m. - Kelly Cochrane: yes I think that is best

2022-02-16, 7:57 p.m. - Beth: Perfect. Are you heading home?

2022-02-16, 7:57 p.m. - Kelly Cochrane: yes just finished the last sit rep. sending my update to Web EOC and then going to go

2022-02-16, 7:57 p.m. - Beth: Thank you! Chat tomorrow

2022-02-16, 7:57 p.m. - Kelly Cochrane: I also have a vehicle count by street and by trucks, just waiting for it to be emailed to me with the breakdown

2022-02-16, 7:59 p.m. - Beth: Awesome.

2022-02-16, 8:48 p.m. - Kelly Cochrane: Update from OPS to their night crews. Just sharing here. Geographic Footprint of the protest zone is changing and evolving. Concept is to shrink the overall footprint to encompass Elgin St. to Bay St along Wellington St. southern border along Queen St. " 7 vehicles left during the day, Protesters are fortifying some of the locations today example Wellington St. at Elgin St west side of Cenotaph there is now a tri axel trailer across lanes of traffic blocking truckers who want to leave the protest. This was live streamed by organizer Pat KING.

7 vehicles left during the day. No major changes

Larger numbers outside in the traditional protest zones due to warmer weather . Small group at Cenotaph (ex military members standing guard 75 " 100 people at Wellington and Metcalfe

Info received from sources on ground: Truck Drivers are being paid \$1000 a day to stay at the protest. Money being sent via email to their bank accounts directly. Some less militant drivers are looking to leave and more militant members are preventing them from leaving the RED ZONE . Please be aware of the different elements which are enforcing rules in the convoy. MANY convoy participants MAY want to leave with cover

of darkness. Organizers are vowing to pay 3 times the value of any ticket issued directly to truckers.

2022-02-17, 11:48 a.m. - Beth: IMG-20220217-WA0000.jpg (file attached)

Did some new campers get in and set up by the Cenotaph?

2022-02-17, 11:55 a.m. - Kelly Cochrane: There has been someone on the east side for a while

2022-02-17, 12:13 p.m. - Kelly Cochrane: Poor michelle is losing her mind. Alain just put her in a meeting with 7 councillors demanding road closures and the traffic plan from OPS

2022-02-17, 12:13 p.m. - Beth: OMG

2022-02-17, 12:13 p.m. - Kelly Cochrane: we don't have that nor can we right now. She is ready to cry i swear. It is a bad situation for her to be in

2022-02-17, 12:14 p.m. - Kelly Cochrane: Apparently it came from Steve K too from this motion but now it is even more "every man for themselves" mentality and it already is fractured trying to get them to follow proper channels

2022-02-17, 12:15 p.m. - Kelly Cochrane: she was just tasked from all these councillors now and I don't have answers for them at this point and we are trying to protect the integrity of the operation as much as we can

2022-02-17, 12:16 p.m. - Beth: I don't know what to say....

2022-02-17, 12:17 p.m. - Kelly Cochrane: no all good, was just more a situational awareness

2022-02-17, 1:15 p.m. - Kelly Cochrane: I can join that 2 pm meeting after our sit rep. Or i'll join on to listen bilaterally but won't say much until after the sit rep

2022-02-17, 1:15 p.m. - Beth: Oops. Let me move to 2:30?

2022-02-17, 1:17 p.m. - Kelly Cochrane: great

2022-02-17, 3:36 p.m. - Kelly Cochrane: i swear we need an after party after this haha

2022-02-17, 3:37 p.m. - Beth: Oh my gosh - YES!

2022-02-17, 3:38 p.m. - Kelly Cochrane: :)

2022-02-17, 4:28 p.m. - Beth: Hey - hearing that things are starting tonight/overnight. Can you confirm? We need to identify a rep for NCRCC overnight.

2022-02-17, 4:34 p.m. - Kelly Cochrane: give me a ring on teams when you're free :). i have it sorted

2022-02-17, 4:33 p.m. - Kelly Cochrane: Missed voice call

2022-02-18, 6:24 a.m. - Beth: Morning :) Nice update but concerning about that weirdo who made it onto Kent. Glad you are on today.

2022-02-18, 6:25 a.m. - Kelly Cochrane: Yeah funny enough Dave and I were watching his live stream as he did it. He was on foot and I don't think police were quite set up. They had another car go through the checkpoints later and he was detained then turned around

2022-02-18, 6:26 a.m. - Kelly Cochrane: Morning :). Thanks. Happy to be on board today. Let's hope all goes well and we see positive change. The drive was brutal this morning but doesn't seem to be impacting the operations as of now

2022-02-18, 6:28 a.m. - Beth: Yikes - just glad you got in safe and sound. I was out grocery shopping last night and it was pretty brutal out then too. Lots of snow and wind.

2022-02-18, 6:28 a.m. - Kelly Cochrane: yeah our city plows are working to address the police locations to make sure they are free to deploy

2022-02-18, 6:37 a.m. - Beth: BTW, I heard OPP were calling TOCC late last night, needing those 6 buses again. I think Silvia had to read them the riot act and said to

only go through you and her.

2022-02-18, 6:39 a.m. - Kelly Cochrane: OMG I KNOW! I spoke to them too. I wasn't on call but had calls all night mainly because everyone is just used to calling me. I told Michelle about that and she couldn't believe it as she was right next to me when OPP confirmed they didn't need them and I re-confirmed that it wasn't just for tonight but they didn't need us all weekend haha. You can't make this up

2022-02-18, 6:53 a.m. - Beth: Just heard House of Commons not sitting today due to Police operations on Wellington.

2022-02-18, 6:54 a.m. - Kelly Cochrane: The speaker sent out a memo late late last night and they decided not to sit. They were supposed to until midnight

2022-02-18, 6:54 a.m. - Kelly Cochrane: they had set up all this stuff there like male and female sleeping quarters and all these other contingencies

2022-02-18, 6:55 a.m. - Beth: I guess someone decided that having a bunch of MPs sleeping in parliament was a bad look ;)

2022-02-18, 6:56 a.m. - Kelly Cochrane: haha exactly

2022-02-18, 6:58 a.m. - Kelly Cochrane: There's no real action here. I was one of the only ones here at 5am. Everyone was late with the weather and a bunch of buses for police are stuck so operations will be delayed

2022-02-18, 8:09 a.m. - Kelly Cochrane: i'm honestly not sure where they expect all these people to go when they leave their cars. That's concerning for me for our refuge centres

2022-02-18, 8:10 a.m. - Beth: Yeah... are they detaining everyone? I guess yes. Right now, at Waller etc. it is small numbers. But Wellington is a different story

2022-02-18, 8:12 a.m. - Kelly Cochrane: nope they aren't. They aren't giving them any direction. Just telling them to leave the area. Great communication with the city

2022-02-18, 8:12 a.m. - Kelly Cochrane: only the ones who don't comply are being detained

2022-02-18, 8:12 a.m. - Kelly Cochrane: probably a piece of the puzzle they should have sorted out :(

2022-02-18, 8:12 a.m. - Beth: Hm - but won't they just go away and come back later?

2022-02-18, 8:13 a.m. - Kelly Cochrane: yeah there is a MAJOR flaw in this plan

2022-02-18, 8:13 a.m. - Beth: Yes!

2022-02-18, 8:14 a.m. - Kelly Cochrane: we are about to have an influx of people walking away from downtown with no where to go.

2022-02-18, 8:14 a.m. - Beth: And everything is closed....

2022-02-18, 8:14 a.m. - Kelly Cochrane: yup....seriously who thinks of these plans

2022-02-18, 8:14 a.m. - Kelly Cochrane: i'm going to talk to russ

2022-02-18, 8:15 a.m. - Beth: Jack Purcell is *not* for them -- not meant for protesters

2022-02-18, 8:17 a.m. - Kelly Cochrane: yup I already flagged that because the sgt was like "oh we can send them to a reception centre, let me know where they are." I put a hard stop on that

2022-02-18, 8:17 a.m. - Kelly Cochrane: ugh not cool

2022-02-18, 8:18 a.m. - Beth: Oh my gosh. Please continue to reinforce that message. The plan was for people to be detained or to leave. Not to be hosted by the City temporarily at our rec centres.

2022-02-18, 8:20 a.m. - Kelly Cochrane: I just spoke to Russ again and he doesn't see the concern. He said "well they will find a way to leave" WOW at a loss for words

2022-02-18, 8:21 a.m. - Kelly Cochrane: he said to notify them if we start to see an

issue with them arriving at city locations. Not that they have additional resources to deal with them if they do

2022-02-18, 8:23 a.m. - Beth: What the? So, most of the City facilities are closed in the area. That actually includes Jack Purcell and Sandy Hill. I'm going to have to tell staff at those locations not to let anyone in unless we tell them to. You ok with that?

2022-02-18, 8:23 a.m. - Kelly Cochrane: yes I agree

2022-02-18, 8:24 a.m. - Kelly Cochrane: we may want security at the locations. We can check for IDs to make sure they are local residents

2022-02-18, 8:41 a.m. - Beth: Ok - we told staff at Jack Purcell not to open the doors for anyone. We're going to flag to Sam although not sure if that is the right avenue. Let me know if you think we need to escalate up to Kim or Steve K's level.

2022-02-18, 8:44 a.m. - Kelly Cochrane: thanks, we will see how it goes

2022-02-18, 8:45 a.m. - Kelly Cochrane: they are flipping out here because they are claiming they were not aware we closed LRT and are upset. They are asking for in writing by the city why we closed the LRT

2022-02-18, 8:45 a.m. - Kelly Cochrane: I advised that police were aware via our rep on the call but they want it in writing

2022-02-18, 8:46 a.m. - Beth: What? What is their problem with LRT? They want people to use it to leave? But some of the protesters are from Alberta etc. where are they going on the LRT?

2022-02-18, 8:46 a.m. - Kelly Cochrane: not sure if their plan was to send these folks on the LRT. There are apparently busses going through the core. I'm going to ask jason to look into that piece

2022-02-18, 8:46 a.m. - Beth: It's a safety risk for our stations and for our O-Train staff.

2022-02-18, 8:47 a.m. - Kelly Cochrane: Honestly beth. I am at a total loss right now. I said there was a safety risk as well as a potential to have to decontaminate them based on the threat assessment. They want that in writing and that essentially Sam Roberts was aware from police

2022-02-18, 8:48 a.m. - Beth: Sam is not going to be part of that. If they need it in writing, I'll get Kim and Renee to send something.

2022-02-18, 8:49 a.m. - Kelly Cochrane: Yes please if we can get something quick and short in writing. They are making this a thing

2022-02-18, 9:00 a.m. - Beth: Just sent you an email that you can pass on to whoever at NCRCC. Kim vetted the email and fully supports.

2022-02-18, 9:01 a.m. - Kelly Cochrane: you're the best! Imagine if I asked for a letter on their plan for displaced demonstrators hehe jk

2022-02-18, 9:02 a.m. - Beth: I can only roll my eyes. ðŸ™„

2022-02-18, 9:59 a.m. - Kelly Cochrane: FYI from the ICC. Anything left on the highway after the trucks are towed is considered "litter on the highway" and the city is to dispose however they see fit

2022-02-18, 9:59 a.m. - Kelly Cochrane: this is generators, tents, spas et

2022-02-18, 9:59 a.m. - Kelly Cochrane: uhhhh

2022-02-18, 10:00 a.m. - Beth: Ok. That will be a big undertaking but I'm sure we can manage. We could probably contract that out to disposal companies.

2022-02-18, 10:01 a.m. - Kelly Cochrane: we are going to need a process for this as there are high end items there. We may want an inventory done before staff are accused of taking stuff even though police have literally just told me to keep it and get myself a generator haha

2022-02-18, 10:01 a.m. - Beth: Hm. I wonder if Roads already has a process in place

that we could follow?

2022-02-18, 10:04 a.m. - Kelly Cochrane: not sure

2022-02-18, 10:56 a.m. - Kelly Cochrane: i have flagged this to jason, sorry I forgot to update

2022-02-18, 10:57 a.m. - Beth: Thanks

2022-02-18, 11:02 a.m. - Beth: I'm going to follow up with him too. I wasn't aware if Roads had put this into their Operational plans. I'm not seeing much behind Rideau/Waller but Wellington will be a mess.

2022-02-18, 11:13 a.m. - Kelly Cochrane: So there isn't much there. That place didn't have much in terms of tents and property. FYI Bryden from the city notified that he will not collect any material of monetary value. Apparently this happened during one of the indigenous protests and he got into a lot of hot water. Shall I pass it back to the police?

2022-02-18, 11:14 a.m. - Beth: yes please but we'll need to figure out a plan for debris removal. Rideau/Sussex could have a lot.

2022-02-18, 11:14 a.m. - Kelly Cochrane: debris I have covered

2022-02-18, 11:14 a.m. - Kelly Cochrane: next sit rep here moved to 1pm

2022-02-18, 11:14 a.m. - Beth: Ok.... was counting valuables/equipment in the word "debris" :)

2022-02-18, 11:15 a.m. - Beth: Worried about Rideau/Sussex. I've seen kids there.

2022-02-18, 11:19 a.m. - Kelly Cochrane: okay trying to develop this plan and yes I am as well

2022-02-18, 11:20 a.m. - Beth: Thanks (re plan)....

2022-02-18, 11:50 a.m. - Kelly Cochrane: pat king spotted on somerset

2022-02-18, 11:51 a.m. - Beth: Hope they arrest him in Centretown. I do prefer Rat King, btw. He, he....

2022-02-18, 11:52 a.m. - Kelly Cochrane: haha way better

2022-02-18, 11:55 a.m. - Kelly Cochrane: false alarm, someone live streaming from his account. diversion

2022-02-18, 11:55 a.m. - Beth: Darn. But he is kind of a Rat... hiding out in Gatineau or wherever. These guys are the worst.

2022-02-18, 11:57 a.m. - Kelly Cochrane: can you give me a quick ring please

2022-02-18, 11:58 a.m. - Kelly Cochrane: he is a rat....hiding behind his camera while everyone else is freezing in the streets holding the line

2022-02-18, 11:58 a.m. - Kelly Cochrane: teams is fine for a call

2022-02-18, 2:23 p.m. - Beth: How is Coventry reacting? Or just ignoring?

2022-02-18, 2:33 p.m. - Kelly Cochrane: they have no pulse on coventry. just asked

2022-02-18, 2:34 p.m. - Beth: Ok. It will likely be the last to get cleared out.

2022-02-18, 2:35 p.m. - Kelly Cochrane: yeah this isn't ending anytime soon. Not a strong enough posture. Still pretty passive even with POU. I feel like they will just come back but time will tell.

2022-02-18, 2:35 p.m. - Kelly Cochrane: Coventry will be messy

2022-02-18, 2:36 p.m. - Beth: I feel like they can't stop... like, they need to work overnight....keep pushing.

2022-02-18, 2:37 p.m. - Kelly Cochrane: I agree but they put all 14 public order teams out at once

2022-02-18, 2:37 p.m. - Kelly Cochrane: tonight wont go well

2022-02-18, 2:37 p.m. - Kelly Cochrane: they are giving them time to develop a strategy

2022-02-18, 2:38 p.m. - Kelly Cochrane: Also heads up we had someone who identified as OC transpo Off Duty trying to get into the perimeter to "rescue all the animals". Police didn't get a name but he was turned away

2022-02-18, 2:38 p.m. - Beth: Oh man. I didn't know that 14 was the total.

2022-02-18, 2:38 p.m. - Beth: Not sure about the OC off duty but if they get a name or video, Transit can investigate.

2022-02-18, 2:39 p.m. - Kelly Cochrane: yeah sounds good

2022-02-18, 2:39 p.m. - Kelly Cochrane: There lacks detailed thought in these operational plans, specifically considering it has been over 3 weeks

2022-02-18, 2:39 p.m. - Beth: Like they had to do when there was that video of an OC Transpo operator, in an OC vehicle, cheering on the demonstrators. Sigh.

2022-02-18, 2:40 p.m. - Beth: I actually don't think this is a new plan. It looks suspiciously similar to the one they had intended to move on last Thursday morning.

2022-02-18, 2:43 p.m. - Kelly Cochrane: yeah i mean even conroy. You have been doing vehicle counts since day 1. How did you not know how much space you needed

2022-02-18, 3:01 p.m. - Beth: Kelly - is DND/CAF still hesitant to show any support? They are actually the largest fed government property owner. Bigger than PSPC. Not sure if they have any space in or around the NCR for vehicle storage. If they have a rep in NCRCC, you should ask them too.

2022-02-18, 3:04 p.m. - Kelly Cochrane: CAF likely would be. They wouldn't even entertain a request last time. I can try

2022-02-18, 3:04 p.m. - Kelly Cochrane: PSPC is looking at 1500 Bronson again

2022-02-18, 3:04 p.m. - Beth: Can't hurt. Just vehicle storage.

2022-02-18, 3:05 p.m. - Beth: 1500 Bronson is definitely free space but the risk is if that Rat guy's followers decide they want to cause trouble there. It's not exactly a secret/subtle spot.

2022-02-18, 3:06 p.m. - Beth: Would need extra security for sure.

2022-02-18, 3:06 p.m. - Kelly Cochrane: yeah I agree. At least it is out of residential areas. Want me call CAF?

2022-02-18, 3:06 p.m. - Kelly Cochrane: yes i told sam he would have to secure it

2022-02-18, 3:06 p.m. - Beth: No harm in seeing if CAF has anything. Who knows? OPS may need 1500 Bronson plus more space. :)

2022-02-18, 3:07 p.m. - Kelly Cochrane: yeah i'll reach out now

2022-02-18, 3:07 p.m. - Beth: Merci madame

2022-02-18, 3:07 p.m. - Kelly Cochrane: :)

2022-02-18, 4:40 p.m. - Kelly Cochrane: OMG so OPP are duplicating efforts and reaching out to STO for 50 buses at the same time OPS are making requests from us for buses haha. I have connected the two to sort each other out

2022-02-18, 4:41 p.m. - Beth: Oh my gosh. Why so many? Is this more road blocks?

2022-02-18, 4:41 p.m. - Kelly Cochrane: they are writing another traffic plan apparently

2022-02-18, 4:41 p.m. - Kelly Cochrane: they are freaking out a bit in the ICC because they deployed all their resources at once and now they can't hold the line

2022-02-18, 4:42 p.m. - Beth: Oh my gosh. I think you and I need to deploy into the ICC. We could have written a better initial plan. :)

2022-02-18, 4:42 p.m. - Kelly Cochrane: I fully agree

2022-02-18, 4:43 p.m. - Kelly Cochrane: they have been trying to talk a guy out of a

truck for an hour, this is why nothing is getting done.

2022-02-18, 4:44 p.m. - Beth: Hm. They could have just pulled him out a long time ago....

2022-02-18, 4:46 p.m. - Kelly Cochrane: Yup

2022-02-18, 5:51 p.m. - Beth: Hey - we need to support Silvia. The bus tasking is out of control now. We need a single process that everyone follows.

2022-02-18, 5:51 p.m. - Kelly Cochrane: Roger

2022-02-18, 5:51 p.m. - Beth: I just took a call with her... I had to bring in Jim Greer as we couldn't link with Jason. Jim fixed it but it was a mess.

2022-02-18, 5:52 p.m. - Beth: She told me after that she was stressed. :(She hasn't even started her shift. We need to support her.

2022-02-18, 5:54 p.m. - Kelly Cochrane: I will. Iâ€™m so sorry boss

2022-02-18, 5:54 p.m. - Kelly Cochrane: I will stay with her as long as I can tonight

2022-02-18, 5:54 p.m. - Kelly Cochrane: Itâ€™s super busy here so hopefully it will calm down for her

2022-02-18, 5:56 p.m. - Beth: Oh my gosh. It's not on you. This is on police. Grr. Please don't stay late tonight. Just want to make sure that we figure out a process and try to get everyone to follow it. I'm worried that buses could be our busiest tasking overnight and into tomorrow.

2022-02-18, 5:56 p.m. - Beth: You are amazing.

2022-02-18, 5:59 p.m. - Kelly Cochrane: Thanks boss. Yes I am working on this process again and trying to get as many requests before the night done

2022-02-18, 5:59 p.m. - Beth: Perfect.

2022-02-18, 6:56 p.m. - Beth: I was working on something and missed CAM299 for awhile. Are all the people arrested on that bus?

2022-02-18, 6:57 p.m. - Kelly Cochrane: so they can use the bus for detainees as long as no driver is in it but I also accomodated the rideau centre parking garage for them to use.

2022-02-18, 6:57 p.m. - Kelly Cochrane: the bus is a traffic control device

2022-02-18, 7:00 p.m. - Beth: Thanks and good job with Rideau parking garage. The long line was looking a bit crazy for awhile.

2022-02-18, 7:00 p.m. - Kelly Cochrane: :)

2022-02-18, 7:01 p.m. - Kelly Cochrane: it's like police didn't expect to arrest people...hehe ...sorry my inside voice is fading with the madness here.

2022-02-18, 7:03 p.m. - Beth: Yeah... like after saying "please leave" for over three weeks, they thought people would magically do so today. Sigh.

2022-02-18, 7:03 p.m. - Beth: Oops. Inside voice too. :)

2022-02-18, 7:17 p.m. - Kelly Cochrane: haha

2022-02-19, 9:32 a.m. - Beth: I can def see that operations have started. Lots of mobilized police resources.

2022-02-19, 9:32 a.m. - Kelly Cochrane: morning, yes did my update not come through on here for that?

2022-02-19, 9:33 a.m. - Beth: It went through, just validating that yes, I can see it on the cameras. :)

2022-02-19, 9:33 a.m. - Beth: Assuming that Sam and Trish will not be good for 10:00. Should we proceed without them?

2022-02-19, 9:35 a.m. - Kelly Cochrane: I would move to 10:30 just as operations just started

2022-02-19, 9:35 a.m. - Kelly Cochrane: need some time to get a handle of the environment

2022-02-19, 9:36 a.m. - Beth: Or maybe 11:00?

2022-02-19, 9:36 a.m. - Kelly Cochrane: I have a briefing at 11

2022-02-19, 9:36 a.m. - Beth: Ah.... ok, so we could do a quick one at 10:30 but with the possibility that Sam/Trish cannot join.

2022-02-19, 9:37 a.m. - Beth: Or, other option is 11:30?

2022-02-19, 9:37 a.m. - Kelly Cochrane: okay or 11:30, depends how far you want to push it out

2022-02-19, 9:38 a.m. - Kelly Cochrane: why don't we do 11:30. then we have a better grasp of how operations are going

2022-02-19, 9:38 a.m. - Beth: Perfect. Paola will move to 11:30.

2022-02-19, 9:44 a.m. - Kelly Cochrane: thanks

2022-02-19, 10:43 a.m. - Kelly Cochrane: reports of water bottles with black stripes being distributed from coventry road which are Molotov cocktails

2022-02-19, 10:47 a.m. - Beth: Ok... Are police moving in? That would be chemical decon, right? Are we set up for that nearby or at the hospital? The old RCMP building is close, can that be used?

2022-02-19, 10:47 a.m. - Beth: (sorry for all the questions, less familiar with Molotov)

2022-02-19, 10:49 a.m. - Beth: Ok, just googled. I guess that is more Fire but with potential for pollutants/irritants. Still though, would want to know the plan over there.

2022-02-19, 10:50 a.m. - Kelly Cochrane: molotof doesn't really do a decon, they are wearing flame retardent clothing

2022-02-19, 10:50 a.m. - Beth: Ok. But what is happening over there? Are they moving in today re Police?

2022-02-19, 10:51 a.m. - Kelly Cochrane: not at coventry right now

2022-02-19, 10:52 a.m. - Kelly Cochrane: I wish public order had shields. Thatâ€™s how we are trained against those cocktails

2022-02-19, 10:52 a.m. - Kelly Cochrane: Going to ask Sam if they are getting any

2022-02-19, 10:52 a.m. - Beth: Have also been told that police have been working to neutralize a potential vehicle threat on Wellington. I think there was concern about potential for a device. Something the drone picked up.

2022-02-19, 10:53 a.m. - Kelly Cochrane: Yeah they have some heat searching devices too

2022-02-19, 10:54 a.m. - Kelly Cochrane: We have one bus operator with police at cenotaph. I kinda want to pull the operator to go stage in the slater bus that is staged at slater and Elgin. Think Iâ€™m going to action that

2022-02-19, 10:54 a.m. - Beth: If shields are the best defence against Molotov than yes, agree police need them. I can't seem them not having planned for that though...

2022-02-19, 10:54 a.m. - Beth: Ok re bus

2022-02-19, 10:54 a.m. - Kelly Cochrane: The bus isnâ€™t a blocker but being used for both police and detainees but with police presence.

2022-02-19, 10:57 a.m. - Kelly Cochrane: okay pulled the operator off and told them to go sit in city hall

2022-02-19, 10:58 a.m. - Beth: Thanks. The situation looks fairly well controlled but better to be safe.

2022-02-19, 10:58 a.m. - Kelly Cochrane: yes just incase they start flying out there

2022-02-19, 10:58 a.m. - Kelly Cochrane: they are pretty far away but rather know they are inside

2022-02-19, 10:58 a.m. - Beth: Police are doing awesome pushing them west but yes.. you never know.

2022-02-19, 10:59 a.m. - Kelly Cochrane: yeah i'm super impressed by their response today

2022-02-19, 10:59 a.m. - Beth: Me too!!!!

2022-02-19, 12:58 p.m. - Beth: Wow. Crowds are not the same today. Police doing amazing but it's tough. You can see it on the live feeds.

2022-02-19, 12:58 p.m. - Kelly Cochrane: yeah i've been watching the live feeds. Are you watching the one with the guy eating the cookie in the front of the line. just ignorance. Shameful

2022-02-19, 12:59 p.m. - Beth: What's the plan to hold Wellington tonight? Is it more jersey barriers and police manned barricades?

2022-02-19, 12:59 p.m. - Kelly Cochrane: if you're still out there after all these, you are beyond extreme.

2022-02-19, 12:59 p.m. - Kelly Cochrane: yes we have fencing and barriers on standby

2022-02-19, 12:59 p.m. - Kelly Cochrane: once the trucks are towed

2022-02-19, 12:59 p.m. - Beth: Ok because I agree that there are some hardcore members in that group. Worried they will try whatever they can to sneak back.

2022-02-19, 1:00 p.m. - Kelly Cochrane: yup they are using the canal walkways and whatever holes there are in the perimeter. Working to close these gaps

2022-02-19, 1:01 p.m. - Kelly Cochrane: apparently King's bail hearing was pushed until Tuesday

2022-02-19, 1:01 p.m. - Beth: Rat King? :) I'm assuming they'll try Coventry tomorrow or Monday?

2022-02-19, 1:01 p.m. - Kelly Cochrane: yuppers the Rat. It looks like coventry tomorrow although I don't really know any plan yet

2022-02-19, 1:02 p.m. - Kelly Cochrane: we tried to push for traffic check points today there to limit flow. Denis and I were talking but he ran it up his chain and no word back yet. We spent forever updating all the check points and resources this morning

2022-02-19, 1:02 p.m. - Beth: The Rat is scary though. And racist. Is he detained til Tuesday? Hope he's uncomfortable. :)

2022-02-19, 1:02 p.m. - Kelly Cochrane: yes he is. He will be going to Chateau Innes :)

2022-02-19, 1:03 p.m. - Beth: Awesome.

2022-02-19, 2:04 p.m. - Kelly Cochrane: So i was just talking to the staff sgt and he advised it is very unlikely that we are at coventry tomorrow. Apparently we are only at checkpoint 3 of 10

2022-02-19, 2:04 p.m. - Kelly Cochrane: they lost momentum from this morning

2022-02-19, 2:05 p.m. - Beth: Hm. I had heard from Sam that the plan was for Coventry tomorrow. Makes sense if this is now being pushed to the right. I guess the plan has to be done phase by phase. :)

2022-02-19, 2:06 p.m. - Kelly Cochrane: who knows, sam may be more in the know but I think they need to speed up here because they haven't proceeded south of wellington yet

2022-02-19, 2:06 p.m. - Kelly Cochrane: there are a lot of trucks on metcalf and albert

2022-02-19, 2:06 p.m. - Kelly Cochrane: and they had a flank at chateau laurier which has caused an issue as they had to send pou teams back there

2022-02-19, 2:09 p.m. - Beth: Sometimes Sam is less in the know! There are 2-3 pockets

of hardcore protesters in the core. Slowing them down for sure.

2022-02-19, 2:10 p.m. - Kelly Cochrane: yeah for sure. 3 main ones right now

2022-02-19, 2:11 p.m. - Beth: The one on CAM13 doesn't look great, to be honest.

2022-02-19, 2:12 p.m. - Beth: Looks like some protesters were able to join by foot or sneak in today.

2022-02-19, 2:12 p.m. - Kelly Cochrane: i know

2022-02-19, 3:10 p.m. - Beth: I don't have good camera angles... have they been towing on Wellington too?

2022-02-19, 3:18 p.m. - Kelly Cochrane: Yes they have. it's had amazing progress

2022-02-19, 3:19 p.m. - Kelly Cochrane: and kent had almost tons of vehicles and now the cameras show it empty. They all peaced out apparently

2022-02-19, 3:19 p.m. - Kelly Cochrane: they are sending an officer to confirm

2022-02-19, 3:20 p.m. - Kelly Cochrane: FYI I messaged Todd to see if he can come in earlier than 7 and I can relieve him early tomorrow morning. I haven't heard yet but if he does that would be great as I have a bad migraine but no worries if he doesn't

2022-02-19, 3:20 p.m. - Beth: That's great. I do worry about where these protesters will try to sleep tonight. It's confusing. I don't think all have hotel rooms.

2022-02-19, 3:20 p.m. - Kelly Cochrane: yeah i think some are grabbing busses/trains home because it will be a long time before their vehicles are released but no clear picture of where everyone is going once released

2022-02-19, 3:21 p.m. - Beth: I wonder if some will go to Coventry?

2022-02-19, 3:21 p.m. - Kelly Cochrane: Police are lacking intel on these guys not coming back downtown after

2022-02-19, 3:21 p.m. - Beth: It's like we're going to have to hold the line for many days to come.

2022-02-19, 3:22 p.m. - Kelly Cochrane: apparently last update states that online chatter requested people leave coventry and right now they see a lot of tents getting packed up

2022-02-19, 3:23 p.m. - Beth: That's amazing. I still see some police operation being required there though. Hoping it gets cleared out on its own but not sure.

2022-02-19, 3:24 p.m. - Kelly Cochrane: fingers crossed. They just did the vehicle count and it is around 10 cars in that area that used to be fully packed

2022-02-19, 3:24 p.m. - Beth: Amazing.

2022-02-19, 3:24 p.m. - Beth: That's basically how 1500 Bronson got cleared.

2022-02-19, 3:34 p.m. - Kelly Cochrane: yup

2022-02-19, 4:24 p.m. - Beth: Hey - any thoughts on the 6:00 pm? We can't figure out if it should be the bigger group (but focused and just an update from Police and NCRCC to facilitate some early planning) or the smaller group as an end of day wrap up.

2022-02-19, 4:24 p.m. - Kelly Cochrane: I think an end of day small group is fine

2022-02-19, 4:25 p.m. - Kelly Cochrane: nothing major happened in terms of city services have already been closed for the weekend, operations are continuing and they are making progress

2022-02-19, 4:26 p.m. - Kelly Cochrane: FYI Todd is coming in around 5. I am really struggling with a migraine and it has been stable here for hours. We have all the buses and shuttles sorted out for the overnight as well as barriers and fencing unless any additional requests come in. Todd should be good to go if you are okay with that

2022-02-19, 4:27 p.m. - Beth: Oh my gosh. I never knew you were unwell. Please take care and go home early.

2022-02-19, 4:27 p.m. - Beth: BTW, hearing that 6 kids are now in CAS care.

2022-02-19, 4:27 p.m. - Beth: Will go into foster care system.

2022-02-19, 4:28 p.m. - Kelly Cochrane: okay the inspector here had no idea but is calling ICC

2022-02-19, 4:28 p.m. - Kelly Cochrane: I'm okay but just a silly migraine and Todd didn't mind coming early

2022-02-19, 4:29 p.m. - Beth: Info came from Sam/Trish.

2022-02-19, 4:29 p.m. - Kelly Cochrane: WOW we had no idea here

2022-02-19, 4:29 p.m. - Kelly Cochrane: sad

2022-02-19, 4:29 p.m. - Beth: Very sad.

2022-02-19, 4:32 p.m. - Beth: Stay tuned. I think it's not 6 kids. Sigh.

2022-02-19, 4:34 p.m. - Kelly Cochrane: It isn't

2022-02-19, 4:35 p.m. - Beth: ICC mess up.

2022-02-19, 4:35 p.m. - Beth: That's a big mess up though. ðŸ˜Š

2022-02-19, 4:35 p.m. - Kelly Cochrane: John just called child sex assault unit who called CAS. 0 apprehensions

2022-02-19, 5:10 p.m. - Kelly Cochrane: Hey boss, just giving you the heads up that Jason is ruffling a lot of feathers. The last few days a bunch of people have had negative interactions with him. He's been okay with me but he is causing a lot of issues with process as well. I am trying to reach out to him as I need his help but he hasn't replied yet and hoping to talk to him a bit about this before I go because OC is nearly in tears here

2022-02-19, 5:11 p.m. - Beth: Oh my gosh. I am surprised. I thought that things were going well in that section. Also, Jim Greer at OC has been going above and beyond to accommodate.

2022-02-19, 5:13 p.m. - Kelly Cochrane: It is challenging when OC transpo is directly in the NCRCC and until a few days ago, they have actioned OC requests on regular working hours while they were here. Jason/Silvia/whoever the reps are there, have been assisting with requests outside of their hours as the EOC chain contact. I think it is a good opportunity to revisit the positions that are here at the NCRCC next time but we have worked really really well until the last few days. A lot of that is due to outside requests going to police for OC which I think we mitigated well and really improved today but both transit and OC are super upset with him here and OC is nearly in tears

2022-02-19, 5:14 p.m. - Kelly Cochrane: it's all good just giving you the heads

2022-02-19, 5:14 p.m. - Beth: Thanks for this. It sounds like maybe Jason/Silvia added process where it wasn't needed. :(

2022-02-19, 5:16 p.m. - Beth: Are you heading? Hope so. We need to talk about your schedule over the next few days. Hoping you can pull back, if the situation is good. I want to take a break too. Just haven't been as I was worried that Ryan Perrault would replace me. Shhhh. :)

2022-02-19, 6:00 p.m. - Kelly Cochrane: Oh no. I hope he doesnâ€™t. That would be brutal.

2022-02-19, 6:00 p.m. - Kelly Cochrane: I spoke to Jason and we are working out a better process for tomorrow. :).

2022-02-19, 6:01 p.m. - Kelly Cochrane: Yes I am going to come in a bit later tomorrow but before the morning briefing. The Sgt tomorrow morning will message if things pick up but expecting things to start later in the morning. Iâ€™m good friends with the Sgt so he will tell me.

2022-02-19, 6:02 p.m. - Kelly Cochrane: Iâ€™m just walking out but going to listen to the call on my drive home

2022-02-19, 6:02 p.m. - Beth: Ok. Take care and I appreciate all you have done and continue to do for us.

2022-02-19, 6:05 p.m. - Kelly Cochrane: Same with you!! And Silvia is going to take Tuesday if this is still going on but hoping we are at demob which should be able to be done from home

2022-02-19, 9:40 p.m. - Kelly Cochrane: OPP are at it again.

2022-02-19, 9:40 p.m. - Kelly Cochrane: I want to strangle them in the ICC

2022-02-19, 9:45 p.m. - Beth: Why are you up? If they are calling for buses, pass to Todd! :)

2022-02-19, 9:46 p.m. - Kelly Cochrane: They dropped off two trucks of jersey barriers they ordered from MTO for a traffic plan we haven't approved with a bill they want the city to pay. Oh and we have our own supply of jerseys

2022-02-19, 9:46 p.m. - Kelly Cochrane: Todd called me that's why

2022-02-19, 9:47 p.m. - Beth: OPP are really not good with sticking to plans or process

2022-02-19, 9:48 p.m. - Kelly Cochrane: Nope. Dealing with ICC right now. Again haha. Grrrr

2022-02-21, 8:29 a.m. - Beth: Hey you - hope all is well. I heard that ICC now wants a Traffic rep. Did you get the ask?

2022-02-21, 8:29 a.m. - Beth: I think Sam was going to send you an email, as per his usual requests.

2022-02-21, 8:30 a.m. - Kelly Cochrane: Morning. Not formally yet but I spoke to him about it yesterday

2022-02-21, 8:31 a.m. - Kelly Cochrane: I connected them right with Tim yesterday and I think they are realizing how much more goes into the traffic plans that they aren't considering.

2022-02-21, 8:31 a.m. - Beth: Awesome!

2022-02-21, 8:31 a.m. - Kelly Cochrane: It was a game of phone tag to NCRCC yesterday

2022-02-21, 8:32 a.m. - Beth: We kind of know where the critical bottlenecks will be though already re checkpoints... it's the 417 offramps and the bridges...

2022-02-21, 8:50 a.m. - Kelly Cochrane: Yes

2022-02-21, 9:09 a.m. - Beth: You probably shouldn't respond on an email for which you were BCC'd....

2022-02-21, 9:13 a.m. - Kelly Cochrane: I'm sorry

2022-02-21, 9:16 a.m. - Kelly Cochrane: I will pay more attention, I didn't realize i was a BCC as sam said he was sending the email to me. My sincerest apologies and i apologized to Sam as well

2022-02-21, 9:18 a.m. - Beth: It's ok. I just don't respond to emails that are not directed at me and I expect staff to do the same.

2022-02-21, 9:18 a.m. - Kelly Cochrane: Yes absolutely

2022-02-21, 10:49 a.m. - Kelly Cochrane: Would you like a representative in the NCRCC tomorrow? Silvia is willing to come in but I can work remotely from home tomorrow.

2022-02-21, 10:49 a.m. - Kelly Cochrane: My personal opinion is, with Michelle at NOCK, requests can be funneled virtually to me as required and police can follow their normal protocol for any regular bylaw service requests by calling their dispatch

2022-02-21, 10:50 a.m. - Kelly Cochrane: I can continue to remain oncall 24/7 until fully demobilized

2022-02-21, 10:53 a.m. - Beth: Ok... if other partners are standing down, and if everything is being funnelled through ICC now, then agreed it makes no sense to have a physical presence in NCRCC. It's like a drive over and back for no reason. I would

like to understand the ICC structure though. Also, it is NOC or NOCK? I don't know what the acronym stands for.

2022-02-21, 10:54 a.m. - Kelly Cochrane: Funny Michelle always types it to me as NOCK but when I google it it appears to be the National Operations Centre

2022-02-21, 10:54 a.m. - Kelly Cochrane: so NOC

2022-02-21, 10:54 a.m. - Beth: Yeah... that is what I thought!

2022-02-21, 10:55 a.m. - Kelly Cochrane: yes I am working on clarifying that request structure

2022-02-21, 10:56 a.m. - Beth: So, basically, other than Michelle who is at NOC, I think the structure is that Sam will sort of be the window to the EOC? I am ok with that, as long as Sam is the right authority to task the City. :)

2022-02-21, 10:56 a.m. - Beth: I have never fully figured out what specifically Sam/Trish are doing. :)

2022-02-21, 10:56 a.m. - Kelly Cochrane: yes that makes sense and I can have that discussion with him and inspector lucas

2022-02-21, 10:57 a.m. - Kelly Cochrane: no either have I. It appears that he is assisting with plans from the overall incident command but he went from the SCC where NCRCC was reporting information to him, to the ICC haha

2022-02-21, 11:02 a.m. - Beth: And whenever he briefs up, it's to Trish Ferguson...

2022-02-21, 11:10 a.m. - Kelly Cochrane: yeah I don't feel like they have had a clear command structure in all honesty

2022-02-21, 1:44 p.m. - Kelly Cochrane: sorry to be confusing beth but I think maybe it is good to have Silvia in here tomorrow. Not so much about process but because we have so many services we are trying to open, it gets the first hand information from the NCRCC as they reduce the perimeter

2022-02-21, 1:45 p.m. - Kelly Cochrane: they are also adjusting to the new change in dynamic with demob and traffic being gone. It give a bit of a transition day

2022-02-21, 1:45 p.m. - Beth: Ok - just in case there are issues and they need a keep outreach? Is Silvia ok with coming in?

2022-02-21, 1:46 p.m. - Beth: Oops *quick outreach

2022-02-21, 1:47 p.m. - Kelly Cochrane: Yes just incase as there is a large chunk of perimeter they want to open by end of day tomorrow. Silvia is fine with it. I spoke to her already. She will let me know if I need to be there wednesday but I plan on handing the visitor pass in today as I don't think this will be needed into Wednesday

2022-02-21, 1:47 p.m. - Kelly Cochrane: I am trying to get police to go through normal operating channels for certain things, such as bylaw and fire service requests as fire isn't even here anymore and paramedics are standing down tomorrow too

2022-02-21, 1:49 p.m. - Beth: Ok makes sense. Every day, police should be trying to reduce the secured zone. And, maybe on the weekend, it's more about the 417 exits. Not sure but I think it's about leveraging intel and stopping large gatherings of people (or any gatherings of vehicles).

2022-02-21, 1:53 p.m. - Kelly Cochrane: I think they may be doing the 417 overnight tonight. There is talks about that. It is about intel, correct. I have been their one stop shop for everything here outside police operations haha, so they are learning the transition back to normal operations. I will remain as a liaison virtually if i'm not required in person from wednesday on and overnight tomorrow, however hopefully we are moving to just the controlled wellington zone quickly

2022-02-21, 2:16 p.m. - Kelly Cochrane: I spoke to melissa and I'm going to grab the CDO phone tomorrow so she isn't going another week straight

2022-02-21, 2:25 p.m. - Beth: OK!

2022-02-21, 3:03 p.m. - Kelly Cochrane: What is your thought on moving the 10am meeting? I just feel that 11:30 may be better or 1:30 as it will give police time to

solidify their perimeter impacts to the larger membership for the rest of the week

2022-02-21, 3:06 p.m. - Beth: I'm OK with that. We might want to go with early afternoon if we think police will update the perimeter.

2022-02-21, 3:12 p.m. - Kelly Cochrane: They are planning on updating the perimeter tonight and then again tomorrow and from the sounds of it, tomorrows should hold for the week if it is good

2022-02-21, 3:13 p.m. - Kelly Cochrane: I just feel that 10am may not be enough time to get a good update on service impacts for the rest of the week. I know we don't want to leave it too late in the day but we also don't want to go with unconfirmed information

2022-02-21, 3:13 p.m. - Kelly Cochrane: Michelle said things are going amazing with her there at ICC. WAYYY easier and police have already expressed to me how great she is

2022-02-21, 3:37 p.m. - Beth: That's awesome re Michelle

2022-02-21, 4:01 p.m. - Kelly Cochrane: There have been no requests here. I am not sure we need a 5:30 meeting on family day unless you think so. There has been ZERO intel in the last 3 sit reps

2022-02-21, 4:02 p.m. - Kelly Cochrane: it is just road closures and they are working to shrink the perimeter up to Somerset overnight and City hall will be available to public and employees

2022-02-21, 4:02 p.m. - Kelly Cochrane: we can have one but I am just trying to also respect the holiday and the limited further information coming out

2022-02-21, 4:02 p.m. - Beth: Yeah... I actually had a bit of a headache this afternoon and had to take a 45 minute nap. Sigh. I can get Kyle to cancel the 5:30. We might just need to send the EOCCG update but that can be reviewed secretarially.

2022-02-21, 4:04 p.m. - Beth: Are you heading out?

2022-02-21, 4:04 p.m. - Kelly Cochrane: aww i'm so sorry to hear that. I'm glad you had a bit of rest.

2022-02-21, 4:05 p.m. - Kelly Cochrane: I may head out soon to get home for a bit of family day and remain on call. This place is half empty already here and there is minimal action tonight other than fencing

2022-02-21, 4:05 p.m. - Kelly Cochrane: If you're okay with that, but I am happy to stay as late as you want

2022-02-21, 4:06 p.m. - Beth: Please do. You've been amazing but this is closing out soon and we can step back a bit. I'm hoping to take a whole week off soon! :)

2022-02-21, 4:06 p.m. - Beth: If you head home now, you'll be there for dinner. :)

2022-02-21, 4:07 p.m. - Kelly Cochrane: yes fingers crossed :)

2022-02-21, 4:07 p.m. - Kelly Cochrane: I am hoping to take 2 days off next week to go to toronto for the IVF but I can also work remotely from there if it is busy.

2022-02-21, 4:08 p.m. - Beth: No way, you should take at least 2 proper days off. :) Working remotely does not count!

2022-02-21, 4:08 p.m. - Beth: It's been a long winter...

2022-02-21, 4:15 p.m. - Kelly Cochrane: Haha thanks. I need a few days to just get my house back in order haha. That will be this weekend. Housework is not my husbands strong suit ;)

2022-02-21, 4:58 p.m. - Kelly Cochrane: There's rumours they may ramp up presence here on the weekend and the inspector will keep me updated. I am talking to him now

2022-02-21, 5:52 p.m. - Beth: Makes sense.

2022-02-22, 1:49 p.m. - Kelly Cochrane: There was a shoplifter arrested who was found with a gun on him. There is no active threat now. That's why courts went into secure facility FYI :)

2022-02-22, 1:50 p.m. - Beth: Have we been given the "all clear"? :)

2022-02-22, 1:51 p.m. - Kelly Cochrane: Yes situation has resolved

2022-02-22, 1:53 p.m. - Beth: I'm not seeing anything from OPS Comms or NCRCC though?

2022-02-22, 1:53 p.m. - Kelly Cochrane: Let me check when they are putting something out. Sam confirmed it's resolved

2022-02-22, 1:53 p.m. - Beth: Thanks.

2022-04-21, 10:26 a.m. - Beth: Hey - I'm resurrecting this line with you, if that's ok.

2022-04-21, 10:27 a.m. - Beth: Just got a call from Roger Chapman. He is not happy. He says that is asking for 12 BLRS officers to support QRTs and that it's going to be tough. He also said that they want tow trucks on standby. Roger says we can do that but we'll only get 3 through our agreements.

2022-04-21, 10:28 a.m. - Beth: I told him we were all reacting as the decision was made yesterday. He also knows that you are not speaking for his group and that Myrka is attending the OPS meeting.

2022-04-21, 10:29 a.m. - Beth: Anyway, heads up that Roger is touch-y on this OPS tasking.

2022-04-21, 10:30 a.m. - Kelly Cochrane: Thanks for the heads up. I'm

Worried that this perception that this was a joint decision will make police feel like they can engage a lot more of our resources

2022-04-21, 10:31 a.m. - Beth: Can you be uber careful about ensuring that City Services are not tasked but that they have the chance to discuss etc.?

2022-04-21, 10:32 a.m. - Kelly Cochrane: Yes for sure

2022-04-21, 10:32 a.m. - Kelly Cochrane: Also we should look at the signal app. Police use it. It's by WhatsApp but encrypted. RCMP and OPS endorse it as better to communicate

2022-04-21, 10:33 a.m. - Beth: Yes! I used to use it as well. :)

2022-04-21, 10:35 a.m. - Kelly Cochrane: Oh good.

2022-04-21, 10:35 a.m. - Kelly Cochrane: I'll download it

2022-04-21, 10:38 a.m. - Beth: Me too

2022-04-21, 12:35 p.m. - Beth: Hey there -- I know you are well connected but not sure if you heard as it is very sensitive. Pierre Poirier told me that the Montfort is on the verge of a code orange. They have a critical nursing shortage. They are anticipating intermittent closures occurring between 18:00 and 08:00 each day.

2022-04-21, 12:35 p.m. - Beth: Pierre asked me not to share so just flagging confidentially as I thought you needed this SA.

2022-04-21, 12:36 p.m. - Beth: He is anticipating offload delays and probably level zero, as a result.

2022-04-21, 12:42 p.m. - Kelly Cochrane: Thanks for flagging

2022-04-21, 12:43 p.m. - Beth: I've indicated to Pierre that we need to understand the implications (and put in place additional mitigations) for the April 29 weekend.

2022-04-21, 12:44 p.m. - Kelly Cochrane: Yes. They have an inter hospital agreement to call share but this will be an impact

2022-04-21, 12:46 p.m. - Beth: Just realized my messages were bizarre. The intermittent closures are obviously to the ED.

2022-04-21, 12:46 p.m. - Beth: Sorry - I'm not a medic like you!

2022-04-21, 12:47 p.m. - Kelly Cochrane: All good. Hospitals go into diversion regularly but code orange could prolong that which won't be good

2022-04-21, 12:48 p.m. - Beth: Thanks. I figured you would understand this better than me. Paramedic Service will not mention this today but wanted you to know.

2022-04-21, 12:48 p.m. - Kelly Cochrane: Thanks

2022-04-21, 3:10 p.m. - Kelly Cochrane: Heads up that both Tania and Myrka showed up and were not happy about things. They def didnâ€™t foster the police relationship

2022-04-21, 3:13 p.m. - Beth: Yikes. Hope they are not mad at us.

2022-04-21, 3:14 p.m. - Kelly Cochrane: I think they are. They kept reiterating that they knew nothing yet. We didnâ€™t have a plan yet. I had spoken with Myrka and she reached out to Louis but Tania was not even willing to support with QRTs or discuss it and was super awkward and didnâ€™t make us look good. I think I recovered from it but was tough

2022-04-21, 3:15 p.m. - Beth: What the? Louis reached out to Myrka on Monday. So, she knew before Steve K did. Sigh.

2022-04-21, 3:15 p.m. - Kelly Cochrane: Yup and I had told her I would connect after the meeting too. We spoke a few times.

2022-04-21, 3:15 p.m. - Kelly Cochrane: Tania was just really upset and was bad optically

2022-04-21, 3:20 p.m. - Beth: I thought Tania got intel from Dan. That is too bad. Sorry if you were targeted. It's not on you.

2022-04-21, 3:20 p.m. - Beth: I should have reached out to Roger sooner but we had no real info on the OPS plan. I thought it would come out today.

2022-04-21, 3:20 p.m. - Kelly Cochrane: That was the purpose of today and thatâ€™s exactly what Bernier told her

2022-04-21, 3:23 p.m. - Beth: I'll move the OEM meeting to 4:00 pm

2022-04-21, 3:23 p.m. - Kelly Cochrane: Thanks

2022-04-21, 3:26 p.m. - Beth: I can move it later, if need be. Trying to actually hit your drive home so you don't have to do extra work. :)

2022-04-21, 3:29 p.m. - Beth: BTW, are Police aware of that social media thread Melissa sent? I am assuming yes.

2022-04-21, 3:29 p.m. - Kelly Cochrane: Yes they are

2022-04-21, 3:56 p.m. - Beth: Do you need more time?

2022-04-21, 3:58 p.m. - Kelly Cochrane: Walking out to my car

2022-04-21, 4:00 p.m. - Kelly Cochrane: Got nabbed. Coming.

2022-04-21, 4:03 p.m. - Kelly Cochrane: One min. Iâ€™ll be there
